Red Sonja: Black Tower #4 Frank Tieri, 2015-01-21 Final issue The pulse pounding finale to the biggest Red Sonja event of the year But after last issue s shocking ending where can our story go from here What will

happen to Red Sonja as the Black Tower reveals all its secrets and the true force behind it is revealed Find out in our startling conclusion

The Enigma of Social Harm Thomas Raymen,2022-11-02 Drawing on a novel blend of moral philosophy social science psychoanalytic theory and continental philosophy this book offers up a diagnosis of contemporary liberal capitalist society and the increasingly febrile culture we occupy when it comes to matters of harm On what basis can we say that something is harmful How are we supposed to judge between competing opinions on the harmfulness of a particular behaviour practice or industry Can we avoid drifting off into relativism when it comes to judgements about harm In an age of deep cultural and political discord about what is and is not harmful providing answers to such questions is more important than ever Appraising the current state of the concept of social harm in academic scholarship and every day life Thomas Raymen finds a concept in an underdeveloped state of disorder trapped in interminable deadlocks and shrill disagreements about what should and should not be considered harmful To explain the genesis of this conceptual crisis and identify what we need to do to resolve it The Enigma of Social Harm travels from Graeco Roman antiquity to the present day exploring trends and developments in moral and political philosophy religion law political economy and culture Along the way we see how such trends and developments have not only made it more difficult to establish a shared basis for evaluating harm but that the tools which might enable us to do so are now outright prohibited by the political economic cultural and ethical ideology of liberalism that dominates contemporary society Written in a clear and accessible style it is essential reading for all those interested in matters of social harm justice politics and ethics

texts and accounts **The Phenomenology of Blood in Performance Art** T. J. Bacon, Chelsea Coon, 2025-02-28 The Phenomenology of Blood in Performance Art is a major new publication that expands the philosophical contextualisation of blood its presence and absence across the practice of performance art from a phenomenological perspective Edited by T J Bacon she they and Chelsea Coon she her this book moves through an established cannon of artists and beyond to ensure an inclusive representation of practices from a wider range of practitioners First hand interviews and conversations have been gathered from both canonical names as well as individuals who are prevalent in their communities and or respective subcultures but less represented within the frameworks of scholarly discourse Each offers the opportunity to examine their experiences creating artworks and in turn contributes to the context of phenomenological examination within this publication through complementary scholarly texts from leading thinkers who frame phenomenological application to both visual art and transdisciplinary context Featuring artists through new exclusive interviews and contributions including Marina Abramovi Jelili Atiku Ron Athey Franko B Niya B Marisa Carnesky Chelsea Coon Victor Martinez Diaz Rufus Elliot Ernst Fischer Louis Fleischauer Poppy Jackson Mirabelle Jones Andrei Molodkin Hermann Nitsch ORLAN Mike Parr Greta Sharp tjb and Paola Paz Yee and reference to many more Alongside new scholarly insight by leading phenomenological and interdisciplinary art scholars and philosophers including T J Bacon Chelsea Coon Stuart Grant Kelly Jordan Lynn Lu Roberta Mock Amber Musser and Raegan Truax Together they represent a significant exploration of intricate and dynamic responses to the cultural fabric of contemporary lived experiences across space and time through the medium of blood in performance art This incredible analysis of this performance art will be of huge interest to students and practitioners of live art performance art phenomenology and performance philosophy *Red Sonja / Conan #4* Victor Gischler, 2015-11-11 Red Sonja and Conan have stormed a fortress intent on finding and stopping the wizard Kal Ang They are startled to discover an even greater foe from their past Can their willpower match the mind of a sorcerer It will take more than speed and strength to save them this time but the Cimmerian and the fire haired warrior women will never give up even if asked to face down a god Globalised Resistance and the Bring Back Our Girls Movement Titilope F. Ajayi, 2025-01-30 This book uncovers how women s movements in the Global South are changing the face of transnational activism in their mobilisations against militarism and conflict related gender violence Drawing on the case study of the Bring Back Our Girls BBOG movement established by Nigerian women for the rescue of Nigerian schoolgirls abducted in 2014 by violent extremist group Boko Haram the book argues that BBOG is one of several emerging forms of transnational resistance in Africa that are breaking old moulds and forging new directions for social movements globally The book argues that current research on social movements focuses too much on professional advocacy by formal civil society organisations and networks in the Global North In doing so it misses the increasingly spontaneous mass based protests initiated and led by Global South actors grounded in Global South contexts Unpacking the workings of the BBOG movement both internationally and regarding on the ground daily struggles in Nigeria

the book highlights their considerable implications for the practice and study of international politics This book is an important read for researchers of international relations decolonisation social movements and transnational human rights activism Activists and leaders of social movements will also find the policy implications highlighted by the book useful

Red Sonja / Conan #2 Victor Gischler, 2015-09-09 Red Sonja awakes bloodied and bruised to find she's missed the end of an epic battle As she pieces together what happened she discovers that Conan is missing and a local wizard has used bloodroot to create a terrible weapon
