Everything Arises, Everything Falls Away Ajahn Chah, 2005-03-08 Powerful Buddhist teachings demystified from the spiritual mentor of Jon Kabat Zinn Sharon Salzberg and Jack Kornfield Previous books by Ajahn Chah have consisted of collections of short teachings on a wide variety of subjects This new book focuses on the theme of impermanence offering powerful remedies for overcoming our deep seated fear of change including guidance on letting go of attachments living in the present and taking up the practice of meditation *Everything Arises Everything Falls Away* also contains stories and anecdotes about this beloved master's life and his interactions with students from his youth as a struggling monk to his last years when American students were coming to study with him in significant numbers These stories help to convey Ajahn Chah's unique spirit and teaching style allowing readers to know him both through his words and the way in which he lived his life

I Can See Clearly Now Dr. Wayne W. Dyer, 2015-02-24 For many years Dr Wayne W Dyer's fans have wondered when he would write a memoir Well after four decades as a teacher of self empowerment and the best selling author of more than 40 books Wayne has finally done just that However he has written it in a way that only he can with a remarkable take home message for his longtime followers and new readers alike and the result is an exciting new twist on the old format Rather than a plain old memoir Wayne has gathered together quantum moment recollections In this revealing and engaging book Wayne shares dozens of events from his life from the time he was a little boy in Detroit up to present day In unflinching detail he relates his vivid impressions of encountering many forks in the road taking readers with him into these formative experiences Yet then he views the events from his current perspective noting what lessons he ultimately learned as well as how he has made the resulting wisdom available to millions via his lifelong dedication to service As a reader you will feel as if you are right there with Wayne perusing his personal photo album and hearing about his family his time in the service how he writes his best selling books and so much more In the process you'll be inspired to look back at your own life to see how everything you have experienced has led you to where you are right now Wayne has discovered that there are no accidents Although we may not be aware of who or what is moving the checkers life has a purpose and each step of our journey has something to teach us As he says I wasn't aware of all of the future implications that these early experiences were to offer me Now from a position of being able to see much more clearly I know that every single encounter every challenge and every situation are all spectacular threads in the tapestry that represents and defines my life and I am deeply grateful for all of it *I Can See Clearly Now* is an intimate look at an amazing teacher but it also holds the key for seekers on a personal path of enlightenment Wayne offers up his own life as an example of how we can all recognize the hand of the Divine steering our individual courses helping us accomplish the mission we came here to fulfill [D.
