

Safety precautions

- When using your headset while driving, follow local regulations in the region you are in. Never drink alcohol or use drugs while driving. Driving while using your headset may cause the headset to become unstable or become uncomfortable. It may also distract you and cause an accident.
- Keep your device and accessories out of the reach of small children or animals. Small parts may cause choking or serious injury if swallowed.
 - Avoid exposing your device to any extreme temperature (below 0°C or above 35°C). Extreme temperatures can cause the deterioration of the device and reduce the charging capacity and life of your device.
 - Do not allow your device to get wet. • Damage can occur to the device. Do not handle your device with wet hands. Water damage to your device can reduce or eliminate its warranty.
 - Avoid using your device's light close to the eyes of children or animals.
 - Do not use the device during a thunderstorm. Thunderstorms can cause the device to malfunction and increase the risk of electric shock.
 - Excessive exposure to heat or smoke can cause hearing damage. Excessive heat or smoke while driving may distract your attention and cause an accident. Use only the headset when it is not in use.

Getting started

Your headset overview

Make sure you have the following items: Headset, charging cable, ear hooks, ear cushions, and user manual. The specifications may vary.

Button functions

Button	Function
	• Press and hold to turn the headset on or off.
	• Press and hold for 3 seconds to answer incoming calls. • Press and hold to reject an incoming call. • Press and hold to place a call on hold. • Press and hold to switch between calls.
	• Press to adjust the volume. • Press and hold to quickly mute/unmute or on/off during a call.

Turning the headset on or off

To turn the headset on

Slide the Power switch on. The blue indicator light flashes 4 times.

Turning the headset on for the first time, it will automatically enter pairing mode for approx. 3 minutes.

To turn the headset off

Slide the Power switch off. The indicator light flashes blue and red three times off.

Charging the headset

This headset has a rechargeable internal battery which is non-removable. Make sure the headset is fully charged before using it for the first time.

The only charging approved charger is the one that is used to charge the headset. Using any other charger may cause damage to the headset or to sensitive components or explosion. It should not be used with any other charger.

1. Connect the travel adapter to the charging cable on the headset.
2. Plug the travel adapter in a power outlet. Charging the headset lights will turn on.
3. When the headset is fully charged, the indicator light changes color. Using the headset while charging will reduce the battery life.

- Repeatedly charging and discharging of the headset over time will cause the battery performance to deteriorate. This is normal for all rechargeable batteries.
- Never make or receive calls while charging. Always disconnect your headset from the charger and remove the cord.

Charging the headset

To check the battery level, press and hold the Volume down button and the Call button at the same time. Depending on the battery level, the indicator light flashes in one of the following colors.

Battery level	Indicator light color
90% - 100%	Blue
60% - 80%	Yellow
Below 20%	Red

Activating the headset light

The headset indicator light turns on and you can hear beeps. If the headset powers off during a call, the call will be automatically transferred to the phone.

Wearing the headset

Depending on which ear you are going to wear the headset, simply adjust the ear hook and strap.

When you use the optional ear cushions instead of the ear hooks, adjust the strap over your head and adjust the ear cushions. Then, rotate the ear cushions left or right slightly depending on which ear you are going to wear the headset.

Turning the indicator light on or off

The headset status light is there to show you the current status of your headset. But if the headset is in a state where you do not want it to be, you can turn it off.

- Press and hold both volume buttons simultaneously to turn the indicator light on or off.
- The indicator light will always turn off when the headset is turned on or off when a call is received or a call is being made.

Using your headset

- Activated functions and features may differ depending on the phone type.
- Some phones, especially those that are not certified or approved by the Bluetooth Special Interest Group (SIG), may be incompatible with your headset.

To ensure you get the best performance from your headset

- Keep the distance between your headset and device as small as possible and avoid placing your body or other objects in the signal path.
- If your headset and your mobile phone with your right hand, wear the headset on your right ear.
- Keeping your headset in a case could affect its performance or keep contact to a minimum.

Pairing and connecting the headset

Pairing means unique and encrypted wireless connection between two Bluetooth devices when they agree to communicate with each other.

Pairing mode

1. Enter pairing mode. (The blue indicator light starts to blink for 3 minutes.) Press and hold the Call button for 3 seconds.
2. Activate the Bluetooth feature on your phone and search for the headset (see your phone's user manual).
3. Select the headset in a list of nearby devices or devices found by your phone.
4. If prompted, enter the Bluetooth PIN code or passkey (see headset for your phone).
5. Once pairing is completed, the headset will attempt to reconnect with the phone.

Pairing mode and pairing process

With the Active pairing feature, your headset automatically looks for a Bluetooth device within range and tries to make a connection with it.

- In pairing mode, press and hold the Call button on the headset. The indicator light will change to blue when it is in pairing mode.
- The Bluetooth phone you want to connect with must not be paired with other devices. If the phone is already connected to another device, end the connection and restart the Active pairing feature.
- This feature may not be supported on some devices.

Connecting with two Bluetooth phones

With the Multipoint feature activated, your headset can be connected to 2 Bluetooth phones at the same time.

To turn Multipoint feature on
Press and hold the Call button and the Volume down button. The indicator light flashes blue.

1. After connecting with the first Bluetooth phone, enter pairing mode again.
2. To turn the Bluetooth feature on the second Bluetooth phone and search for the headset (see your phone's user manual).
3. Select the headset in a list of nearby devices found by the second Bluetooth phone.

Connecting with two Bluetooth phones

You can also pair and connect your headset with a second device such as an MP3 player. The process of connecting to a second device is rather simple as the connecting with a phone.

- When you connect to a second device, the headset will be in a state where you can make an incoming call or the phone will be playing music from the headset device.
- You cannot control playback & end your headset.
