German, 2003-12-08 Widespread media interest into the Chechen conflict reflects an ongoing concern about the evolution of federal Russia Why did the Russian leadership initiate military action against Chechnya in December 1994 but against no other constituent part of the Federation This study demonstrates that the Russian invasion represented the culmination of a crisis that was perceived to have become an increasing threat not only to the stability of the North Caucasus region but also to the very foundations of Russian security It looks closely at the Russian Federation in transition following the collapse of the communist Soviet Union and the implications of the 1991 Chechen Declaration of Independence in the context of Russia's democratisation project *How to Study Linguistics* Geoffrey Finch, Martin Coyle, John Peck, 2017-03-14 If you are new to linguistics as a subject and beginning a course at undergraduate or sixth form level *How to Study Linguistics* is the ideal introduction and companion to your studies Covers all the core areas of linguistic study with chapters discussing strategies for studying phonology syntax and semantics Explores other branches of linguistics such as sociolinguistics stylistics and psycholinguistics Includes a chapter on writing linguistics essays and a detailed glossary to aid learning and revision Second

edition includes new material designed to help the more advanced reader How to Study Linguistics is both a guide to current ideas about linguistics and a refreshingly practical text book It will not only develop your skills as a language student but will also make an often complex and daunting subject easy to understand and a pleasure to study *Saturday Review of Politics, Literature, Science and Art* ,1865 How to Manage your Arts, Humanities and Social Science Degree Lucinda Becker,2017-03-14 This innovative book takes a practical no nonsense approach to all areas of undergraduate life from getting started and maximizing learning opportunities to making choices mastering time management and succeeding in exams It also covers the wider aspects of the university experience including peer pressure finances and grasping the opportunities available to undergraduates throughout their degree course The book concludes with guidance on how to break into a career as a graduate **New Statesman Society** ,1994 *Theorist of Maritime Strategy* J.J. Widen,2016-02-17 Since its publication in 1911 Sir Julian s Corbett s *Some Principles of Maritime Strategy* has remained a key document within naval strategic thinking Yet despite his undoubted influence Corbett s theories have not been subjected to scientific review and systematic comparison with other naval thinkers In this assessment Dr Widen has provided a fresh interpretation of Corbett s legacy and his continued relevance as a classic theorist of naval war Divided into three parts the book begins with a brief biographical overview of Corbett s life highlighting in particular his bibliographic history and the influences on his thinking The latter two sections then describe and assess Corbett s views on military and naval theory respectively Together these two parts represent his overall theory of maritime strategy including his conception of limited war his intellectual debt to Clausewitz command of the sea his critic of decisive battle as well as the different methods of naval operations By means of a thorough assessment of Corbett s theory of maritime strategy Dr Wid n highlights the continued relevance of his theories Both the strengths and shortcomings of Corbett s thinking are discussed and reflections offered on their intellectual practical and doctrinal value In so doing Dr Widen has written a book that deserves to be read by anyone with an interest in the past present or future of maritime strategy Theorist of Maritime Strategy Jerker Widén,2012 Since its publication in 1911 Sir Julian s Corbett s *Some Principles of Maritime Strategy* has remained a key document within naval strategic thinking Yet despite his undoubted influence Corbett s theories have not been subjected to scientific review and systematic comparison with other naval thinkers In this assessment Dr Widen has provided a fresh interpretation of Corbett s legacy and his continued relevance as a classic theorist of naval war Both the strengths and shortcomings of Corbett s thinking are discussed and reflections offered on their intellectual practical and doctrinal value In so doing Widen has written a book that deserves to be read by anyone with an interest in the past present or future of maritime strategy **The United Nations Democracy Agenda** Kirsten Haack,2013-07-19 The United Nations Democracy Agenda is a critical conceptual historical analysis of democracy at the United Nations detailed in four visions of democracy civilization elections governance and developmental democracy I know it when I see it were the famous words of US Supreme Court Justice Potter Stewart on

defining obscenity It is with the same conviction and un certainty with which liberal peacebuilders and democracy promoters have used democracy to achieve both the immediate goals of peacekeeping and the broader global mission of the United Nations Today democracy may have gained an international dimension yet its success as an organizational practice depends on how democracy has been defined Drawing on political theory and democratization scholarship The United Nations Democracy Agenda questions the meaning of this well known idea The book analyses the way in which the UN through its Secretary General relevant agencies and organizational practices have thought about conceptualized and used democracy The United Nations Democracy Agenda shows that while the idea of democracy s civilizing nature has played a prominent part in its use by the UN an early focus on sovereignty and self determination delayed the emergence of the democracy agenda until the 1990s Today a comprehensive democracy agenda incorporates not only elections but a broad range of liberal democratic institutions Despite this the democracy agenda is at an impasse both practically and philosophically The United Nations Democracy Agenda questions whether an extension of the UN democracy agenda to include developmental democracy is feasible
