British Museum Catalogue of printed Books, 1890 *The Literature of Roguery* Frank Wadleigh Chandler, 1907 *A Rogue's Life* Wilkie Collins, 1879 **Vocabulum; or The Rogue's Lexicon** George W. Matsell, 2022-09-04 **A Rogue's Tragedy** Bernard Capes, 1906 **Catalogue of the Famous Library of Printed Books ... Collected by Henry Huth** Henry Huth, 1911 **The Afterlives of Eighteenth-Century Fiction** Daniel Cook, Nicholas Seager, 2015-09-29 This collection of essays offers insights into the ways in which eighteenth century novels have been adapted and appropriated by later writers It will be of interest to students of the rise of the novel interdisciplinary approaches to literature and the developing field of adaptation studies *Fear, Exclusion and Revolution* Jason McElligott, 2016-12-05 Between the years 1677 and 1691 the Puritan minister Roger Morrice compiled an astonishingly detailed record of public affairs in Britain Running to almost a million words his *Entring Book* provides a unique record of late seventeenth century political and religious history It charts the rise of British party politics and the transformation of Puritanism into Whiggery and Dissent It provides a wealth of information on social and cultural history as well as the relationships between the three Stuart kingdoms All the essays in this volume have been inspired by the key concerns of the *Entring Book* the palpable sense of the fear and foreboding in the 1680s the long shadow cast by the mid century civil war the profound effect on Englishmen of events on the continent and the anxieties and opportunities caused by a socially diffuse culture of news and information In so doing they give a vivid sense of what it was like to live in England in the years before the Revolution and help to explain why that Revolution took place when it did and why it took the particular form that it did These chapters provide fresh and insightful perspectives on religion politics and culture from established and emerging scholars on three continents Taken together they offer a valuable introduction to the world of Roger Morrice and will be an essential companion to the scholarly edition of the *Entring Book* **Small Dictionaries and Curiosity** John P. Considine, 2017 *Small Dictionaries and Curiosity* tells a story which has not been told before that of the first European wordlists of minority and unofficial languages and dialects from the end of the Middle Ages to the early nineteenth century These wordlists were collected by people who were curious about the unrecorded or little known languages they heard around them Between them they document more than 40 language varieties from a Basque Icelandic pidgin of the North Atlantic to the Kalmyk language of the lower Volga The book gives an account of about 90 of these dictionaries and wordlists some of them single page jottings and some of them full sized printed books paying attention to their content and their physical form alike It explores the kinds of curiosity and imagination by which their makers were moved the lover of all languages hearing new voices in an inn the speaker of a dying language recording his linguistic memories the patriot deploying his lexicographical findings in the service of an emerging nation It offers an encounter with the diverse voices of the entirety of post medieval Europe turning away from the people of the courts and universities whose language was documented in big dictionaries to listen to people who did not speak the languages of power

the people of remote places and dying communities the illiterate poor settled or homeless migrants from the edges of Europe and beyond *Catalogues* Walter M. Hill (Firm),1899 **Early Modern Authorship and Prose Continuations** N. Simonova,2015-03-21 The first in depth account of fictional sequels in the seventeenth and eighteenth centuries this examines cases of prose fiction works being continued by multiple writers reading them for evidence of Early Modern attitudes towards authorship originality and literary property *The London Jilt* Charles H. Hinnant,2007-12-11 This entertaining novel s full title which claims that it will show All the Artifices and Strategems which the Ladies of Pleasure make use of for the Intreaguing and Decoying of Men suggests that it is a cautionary tale And in fact The London Jilt is presented as the memoir of a courtesan by an anonymous editor who justifies its publication as a warning to young men Yet the narrative is remarkable for its time in allowing the jilt to speak for herself and she tells the much more sympathetic story of a woman who turns to prostitution only after her father is cheated out of his estate and she is thrust into the world without resources Her struggles are as much economic as they are sexual and include encounters with a wide variety of amorous but unsatisfactory men This Broadview edition provides a critical introduction commentary explanatory notes and appendices that incorporate selections from related contemporary works including Spanish picaresque novels in which the narrator is a woman **A Rogue's Life (EasyRead Super Large 18pt Edition)** Wilkie Collins,2019 **The Vulgar Tongue** Jonathon Green,2015 A riveting history and impassioned defense of slang *Capturing the Pícaro in Words* Konstantin Mierau,2018-07-17 Capturing the Pícaro in Words discusses the framing of the transient marginals of early modern Madrid in the literary pícaro It compares the perceptions of constables shopkeepers and criminals to those of mass produced literary representations and argues that the literary representations displaced the pícaro assigning the marginals different places in the literary texts in order to centralise the problem of urban vagrancy The texts spanned the pícaro thus establishing the image of a culturally homogenous group and lastly silenced the pícaro under representing the power marginals in the city derived from their knowledge of the information flows in the city *Sotheran's Price Current of Literature* Henry Sotheran Ltd,1887 *The Foreign Quarterly Review* ,1838 *Sale-catalogues of Second-hand Books on Sale by Henry Sotheran & Co* Sotheran, Henry and Co,1871 *Ecological Form* Nathan K. Hensley,Philip Steer,2018-12-04 Ecological Form brings together leading voices in nineteenth century ecocriticism to suture the lingering divide between postcolonial and ecocritical approaches Together these essays show how Victorian thinkers used aesthetic form to engage problems of system interconnection and dispossession that remain our own The authors reconsider Victorian literary structures in light of environmental catastrophe coordinate natural questions with sociopolitical ones and underscore the category of form as a means for generating environmental and therefore political knowledge Moving from the elegy and the industrial novel to the utopian romance the scientific treatise and beyond Ecological Form demonstrates how nineteenth century thinkers conceptualized the circuits of extraction and violence linking Britain to its global network Yet the book s most pressing

argument is that this past thought can be a resource for reimagining the present
