Private Finance, Public Power Peter Conti-Brown, Sean H. Vanatta, 2025-06-24 The strange and contested evolution of the management of banking risk Banks in America are private institutions with private shareholders boards of directors profit motives customers and competitors And yet the public plays a key role in deciding what risks are taken as well as how when and to what end Public private negotiations over financial governance has evolved into an essential ecosystem of banking risk management In *Private Finance Public Power* Peter Conti Brown and Sean Vanatta offer a new history of finance and public policy in the United States by examining the idiosyncratic way the nation manages financial risk across the public private divide Covering two centuries from the founding of the Republic to the early 1980s Conti Brown and Vanatta describe the often contested sometimes chaotic engagement of bankers politicians bureaucrats and others in the overlapping spaces of the public private system of bank supervision Conti Brown and Vanatta trace the different supervisory frameworks that evolved over time from the imposition of private liability on bank shareholders to the development of the central bank to the creation of federal deposit insurance Negotiations took place at federal and state levels but over time the federal government assumed most of the responsibility for managing financial risk Moreover federal supervisory officials began to undertake more varied tasks including monitoring racial discrimination and managing financial concentration Conti Brown and Vanatta introduce a diverse cast of characters bankers politicians bureaucrats and others and show how they navigated two hundred years of financial panics scandals and crises to build the system that structures modern America s banking system
