The screenshot shows a Google Classroom interface. At the top, there is a decorative banner with various colorful flower and plant icons. Below the banner, the title "A Daisy in a Cup" is displayed in a large, bold, black font. Underneath the title, the text "Read the passage and answer the questions" is visible. The main content area contains a document titled "A Daisy in a Cup" with a small illustration of a daisy flower at the top. The document text is partially visible, starting with "The daisy is a common flower..." and "It is a member of the...".

Leading Lesson Study Jennifer Stepanek, Gary Appel, Melinda Leong, Michelle Turner Mangan, Mark Mitchell, 2006-12-20 Provides readers with a compelling rationale for the process, offers experience-tested tools and suggests ways to address commonly occurring challenges. This book will assist teachers and those who support them in understanding and implementing all phases of lesson study from initial planning through sharing with others what was learned. Dennis Sparks, Executive Director, National Staff Development Council. A powerful teacher professional development process that focuses collaborative teams directly on the classroom and the perfect tool for teachers, professional developers, and team leaders. Gives you everything you need to use lesson study to support teachers in thinking deeply about practice. Roberta Jaffe, Science Education Coordinator, New Teacher Center, University of California, Santa Cruz. Use this team-centered approach to directly enhance teaching and learning in your school. First introduced in Japan, lesson study has gained enthusiastic advocates in US educational circles as a powerful collaborative approach that brings teachers together as researchers into the science and craft of teaching and learning in their classrooms. Teachers work as teams to develop a lesson plan, teach and observe the lesson to collect data on student learning, and use their observations to refine their lesson. Participants build their sense of professional authority while discovering effective practices that result in improved learning outcomes for their students. This how-to guide provides teachers, administrators, and team leaders with practical strategies, models, and tools. The book leads a beginning team through the phases of the lesson study cycle and provides an experienced team with new perspectives. Using examples from US classrooms, this handbook encourages educators to generate and share knowledge. Inspires a teacher-researcher stance. Illustrates both the process and substance of lesson study. Encourages collaboration. Provides guidelines for avoiding common pitfalls. **Leading Lesson Study** is an excellent resource for both experienced and novice lesson study teams, administrators who want to start a lesson study program, and lesson study team facilitators such as instructional coaches and professional development providers
