

SHIFTING COURSE SAMPLE LETTER

Good day!

The main reason I want to shift is that I recognized the course is not right for me. Before applying for college, I considered becoming a multimedia artist. Unfortunately, I made the incorrect decision, because after a year in B.S. Accounting Information System, I recognized that the skills I have were neglected. I believe I have visionary and creative abilities because I grew up sketching and painting as a hobby. I also enjoy various disciplines of media like digital/traditional art, animation and photography. These abilities, in my opinion, are crucial and required for the course. Also, I am interested in taking the course because of the different and unique subjects, and various art skills, which is something I am curious to learn. I believe that if I will be given the chance to take the subjects that require these skills, I will be able to achieve my dream to be a certified animator. I understand that it may be difficult to process to allow me to shift to the course, but it will be an honor for allowing me to do so. Thank you.

Sincerely,
<name>
