[Social change and everyday life in Ireland, 1850-1922](#) Caitriona Clear,2013-07-19 Men and women who were born grew up and died in Ireland between 1850 and 1922 made decisions to train to emigrate to stay at home to marry to stay single to stay at school based on the knowledge and resources they had at the time This the first comprehensive social history of Ireland for the years 1850 1922 to appear since 1981 tries to understand that knowledge and to discuss those resources for men and women at all social levels on the island as a whole Original research particularly on extreme poverty and public health is supplemented by neglected published sources local history journals popular autobiography newspapers Folklore and Irish language sources are used extensively All recent scholarly books in Irish social history are of course referred to throughout the book but it is a lively read reproducing the voices of the people and the stories of individuals whenever it can questioning much of the accepted wisdom of Irish historiography over the past five decades Statistics are used from time to time for illustrative purposes but tables and graphs are consigned to the appendix at the back There are some illustrations An idea summary for the student loaded with prompts for future research this book is written in a non cliched jargon free style aimed at the general reader

The Body in Question Alan Petersen,2007-01-24 Why is there currently such strong academic and popular interest in the body in contemporary societies What factors shape our conceptions of the body its naturalness health and normality What is the mind body dualism and why should it matter

This book examines these and other body questions from a critical socio cultural perspective In particular it shows how conceptions of the body are affected by processes of individualization medicalization and commodification Chapters discuss the impact of new biomedical technologies on the notion of the natural body efforts to reshape and perfect the body the role of the media in framing body issues processes of body classification the impact of consumerism on concepts of health healing and self care and the implications of theoretical and practical efforts to integrate mind and body This book will be an invaluable source for those seeking to understand the social cultural and political significance of the body in contemporary society

Nature, God and Humanity Richard L. Fern,2002-04-04 Nature God and Humanity clarifies the task of forming an ethics of nature thereby empowering readers to develop their own critical faith based ethics Calling on original thought provoking analyses and arguments Richard L Fern frames a philosophical ethics of nature assesses it scientifically finds support for it in traditional biblical theism and situates it culturally Though defending the moral value of beliefs affirming the radical Otherness of God and human uniqueness this book aims not to compel the adoption of any particular ethic but rather illumine the contribution diverse forms of inquiry make to an ethics of nature How does philosophy clarify moral conviction What does science tell us about nature Why does religious faith matter Rejecting the illusion of a single rationally compelling ethics Fern answers these questions in a way that fosters both agreement and disagreement allowing those holding conflicting ethics of nature to work together for the common good

Psychoanalysis in China David E. Scharff,Sverre Varvin,2018-03-08 The introduction of psychoanalysis to China over the last twenty years brings a clash between Eastern and Western philosophical backgrounds Chinese patients therapists and trainees struggle with assumptions inherent in an analytic attitude steeped in Western ideas of individualism that are often at odds with a Chinese Confucian ethic of respect for the family and the work group The

situation is further complicated by the rapid evolution of Chinese culture itself emerging from years of trauma new economics and the one child policy of the last generation that has introduced a new Chinese brand of individualism and new family structure that are not equivalent to those of the West This volume breaks new ground in exploring these issues and challenges to the introduction of analytic therapies into China from the viewpoint of Western teachers and Chinese teachers clinicians anthropologists and observers Research and Evaluation in Education and Psychology Donna M. Mertens,2023-12-02 In Research and Evaluation in Education and Psychology Integrating Diversity With Quantitative Qualitative and Mixed Methods renowned scholar Donna M Mertens offers an in depth introduction to research methods The Sixth Edition integrates five major paradigms and emphasizes research within culturally complex communities Each chapter thoroughly explains each research step enriched with a published sample study for illustration **7 Days to Success** Leonardo Mendoza,2014-01-28 Most people ask life changing questions when a traumatic or painful event occurs in our lives Events like a heart breaking end to a relationship or a loss of a job These events force us to evaluate our lives and ask some very important questions Questions such as what am I doing with my life why didn t it work But what separates the more successful people from those leading a life they are not too thrilled about is these life changing questions What if we stopped waiting for painful events to force us to reflect on our lives and began asking important questions on the daily and from that thought is where I was inspired to write this book A systematic way to not only ask these success questions but to do so in a way that we can actually improve our lives before our lives disprove us Floods in a Changing Climate P. P. Mujumdar,D. Nagesh Kumar,2012-11-22 Provides unique synthesis of various modeling methodologies used to aid planning and operational decision making for academic researchers and professionals Aging Harry R. Moody,2006-01-13 Welcome to the world s most unique and dynamic textbook on aging Widely praised and adopted in previous editions the Fifth Edition of Aging once again presents key issues in an engaging and accessible fashion Organized unlike any other traditional textbook author Harry R Moody presents basic concepts followed by controversies supported by carefully chosen adapted readings The result is the most captivating introduction to gerontology available today *Science, Soul, and the Spirit of Nature* Irene van Lippe-Biesterfeld,2005-09-30 An exploration of the relationship between humans and nature through conversations with 12 leading scientific and social visionaries Explores the importance of the unification of humankind and nature as it relates to creation destruction diversity and the spiritual health of the world Contains interviews with Rupert Sheldrake Jane Goodall and Nobel Peace Prize winner Rigoberta Mench Tum among others Society s attitude toward nature has changed considerably over the years Terms pertaining to the anthropocentric paradigm of mankind in charge such as supervisor or owner have been replaced by caretaker or trustee This approach although more appropriate still indicates a complete separation of humankind from nature Yet increasing numbers of people have begun to feel that they are intrinsically part of nature This concept of unity with the natural world that we are nature is gaining momentum among many innovative social

reformers from many diverse fields In *Science Soul and the Spirit of Nature* Irene van Lippe Biesterfeld interviews 12 respected visionary thinkers representing all continents about their deep connection with the earth and their views on the relationship between humanity and nature Presented as a series of thought provoking conversations this book delves deeply into the many conceptions we hold about nature showing that while many strides have been made in the area of its preservation we must now take the next step Each contributor adds insights into the urgent change in consciousness that we must adopt in order to heal and restore our holistic relationship with the earth that was emblematic of the first peoples reminding us that a separation from and destruction of nature is a spiritual destruction of ourselves

Grateful for the Fight Viola Neufeld, 2017-10-10 Don't waste your conflict Grateful for the Fight goes beyond resolving conflict to using conflict to transform lives Neufeld cautions that the urgency in today's society to resolve conflict might be a sophisticated way of bypassing the true value of conflict If we let it conflict can be our ally an unusual window into the self By investigating our fears and releasing them we stand to make a true and lasting change that will improve our daily lives and every one of our relationships The premise of Grateful for the Fight Neufeld's first book is that if we have the necessary fight with ourselves we won't be having unnecessary fights with others and we will be more equipped to have the necessary ones Using real case scenarios and personal experiences Neufeld demonstrates how using outer conflict to work through inner conflict points to a greater capacity for growth and resilience in uncomfortable situations If you're ready to heal personal and mutual sensitivities gain greater inner peace and enjoy a relationship with more intimacy and vitality welcome You've come to the right place
