Creative Practice Research in the Age of Neoliberal Hopelessness Agnieszka Piotrowska, 2020-07-06 In Creative Practice Research in Film and Media creative practitioners discuss their experiences and examine how to retain integrity during times of political and economic battles in higher education and attempts to quantify creative work It uses the notion of tactical compliance to evaluate whether and when creative practitioners compromise their creativity by working within the higher education system

It offers a space for reflection for both practitioners and theorists and it presents a much needed intervention which will be of interest to all academics engaged with creative practice as research
