locker rooms hotel rooms and private planes to deliver an unrivaled behind the scenes look at the Tour and the men who play it Lewis spent thirty weeks of the 2006 season on the road with the best golfers in the world exploring their backstories motivations and preoccupations and collecting telling character revealing tales He bore witness to both the hard work and the privilege that frame their lifestyles But he also discovered a Tour that to this point remained largely unknown one where a player while pursuing dreams of glory might also be suing his agent going through a messy divorce or looking to throw down in the locker room with one of his peers There s John Daly trying to explain how his wife has just been taken off to jail There s Chris Couch making a midnight barefoot run through a derelict district of New Orleans fearing he was about to be kidnapped and taking refuge in a tattoo parlor We watch as Tiger Woods tries to deal with losing his father to cancer while refusing to abandon his fondness for blue humor We see Phil Mickelson hanging with rock stars sharing a Masters victory gift with a national championship winning college football coach and hooking up a sportswriter with a would be groupie s phone number All in all we get a rare glimpse of the off course lives of the Tour s stars and their supporting cast At turns humorous touching and insightful the book sheds new light on every aspect of Tour life from easygoing Tuesday practice rounds to feverpitch Sunday showdowns always taking care to show how their off course concerns inform their every swing Fans will savor the fullest portrait yet of a group of players who throughout their successes and struggles remain unfailingly smart funny and engaging and make up the most intriguing subculture in all of sports
