Operations management principles are used in the production of goods and services. They help in the efficient use of resources. Ryanair's key focuses are on capacity planning and safety, with Ryanair's focus on utilization and in turn continuously driving down costs.

With Ryanair's continuous focus on driving down costs, additional 200 million passengers yearly on board, it is to be reviewed and analysed to consider what can be done to improve.

As a manager, setting KPI's across the whole business structure is integral to ensure that operational efficiencies, growth and business goals are met. In general, for Ryanair this is by minimizing any additional costs, maximizing seat utilization.

Setting the KPI's can help measure and ensure on-time Performance, being punctual to minimize turnaround time, enhancing operational efficiency and increasing customer experience as well as maintaining a low-cost model.
