Burleson Construction Company
General Contractors
3126 South Roan St. Suite 100
Johnson City, TN 37601

RE: Letter of Recommendation and Appreciation

Dear Sir:

I understand Burleson Construction Company, INC. is pursuing your contract. It is with pleasure that I share the following comments and key points about the services they provide to Mountain States Health Alliance. Burleson Construction has been an excellent partner in the area of service and construction. They are a dependable and reliable as a contractor. Their leadership and management skills have been an added benefit to our organization.

Burleson Construction has been subsidizing our maintenance program while meeting major and minor construction needs. They have made themselves readily available to meet emergency needs also. An example would be during a storm a roof blew off our hospital in Kingsport, Tennessee and they were mobilized and on the job ready to make repairs within a couple of hours. They provided this level of response on a holiday. Their responses have exceeded our expectations on several occasions.

I would highly recommend Burleson Construction Company to any organization. They have provided the resources and expertise to successfully meet our request on every occasion. They truly understand what it takes to maintain a success relationship with their customers. If you should desire to discuss their performance, please feel free to contact me.

Sincerely,

William "Bill" T. Alton
AVP Construction and Facilities

Sample Letter Of Reference For A Contractor:

Contracting for Services in State and Local Government Agencies William Sims Curry, 2022-09-09 Contracting for Services in State and Local Government Agencies Best Practices for Public Procurement Third Edition provides state of the art tools for best practice in the procurement of services at state and local levels throughout the procurement cycle Including lively case studies and research conducted with state and local agencies across the United States this award winning book provides management advice and tips on compliance to reduce costs select the best qualified contractors manage contractors performance and prevent corruption and waste Utilizing the results of new research across states cities counties and institutes of higher learning this third edition offers 18 all new best practice documents as well as updated methodologies and templates including but not limited to a full length and short form request for proposal RFP a full length and short form pro forma contract PFC a letter contract a sample estimate at completion a contract amendment template and a form for evaluation of proposals Special consideration is given to obtaining services and products during states of emergency Several additional resources for instructors and professionals are available online including templates and PowerPoint slides The roadmap and templates contained in this book and available online to readers will prove essential to state and local government agency contracting professionals and other officials and employees called upon to participate in the drafting of solicitations writing sole source justifications writing scopes of work serving on advance contract planning and source selection teams recommending award of contracts or assisting in the management of those contracts *Chern on Dispute Boards* Cyril Chern, 2008-04-30 Dispute boards were first introduced almost 20 years ago Since then close to 100 billion US dollars worldwide has been spent on construction projects that have used dispute boards Of these 98% were constructed without any court battles and of the remaining 2% the dispute board decisions were upheld by either arbitration and or the court a truly impressive record Yet very little is known about what dispute boards are and how they operate This book provides the knowledge necessary for those actively involved in dispute board work as well as for those who need to learn the process Important features of the book include analysis of the differences between dispute adjudication boards dispute resolution boards and combined dispute boards in depth discussion of both the existing and historical international case law on dispute boards including its history under the British common law European civil law and Muslim Shar'ah law analysis of the differences between the various major standard forms of dispute board rules FIDIC International Chamber of Commerce and DBFederation along with sample wording to add to or modify these forms as needed analysis of how referrals are made to dispute boards and sample forms an in depth discussion of the ethical requirements relating to dispute board members comparison of board selection techniques with guidelines for implementation and recommendations for the parties sample forms for use in establishing a dispute board discussion of site visits how they should be conducted and sample forms general forms for use in operating a dispute board form agendas form reports and their use how to use a dispute board as a sounding

board for grievances in depth discussion of how to write a decision or recommendation with examples of actual dispute board decisions and recommendations disclosure forms questionnaires for potential board members and comparison of board member agreements and sample forms a discussion of how to effectively use witnesses and the preparation and presentation of witness statements in dispute board hearings forms of notice and procedural rules governing the operation of dispute boards international case studies with claims responses and decisions analysis of situations requiring the removal of dispute board members and form agreements for their removal discussion of the use of dispute boards in areas other than construction

Standard Letters in Architectural Practice David Chappell, 2008-04-15 Architects and contract administrators spend a great deal of time writing letters of various types Many of them are routine and repetitive in character but they require proper consideration if potentially dangerous liability situations are to be avoided This book provides some 285 standard letters for use at all stages of project administration To assist the user they are grouped into sections which correspond with the RIBA Plan of Work the aim is to cover all the common situations encountered in practice The book has been revised to take account of the latest contract revisions and many letters have been added Unless otherwise stated all letters are suitable for use with JCT 98 WCD 98 IFC 98 MW 98 GC Works 1 1998 The latest edition also takes account of the three new RIBA Standard Forms of Agreement for Appointment of an Architect SFA 99 CE 99 and SW 99 Although primarily written for architects and contract administrators the book will also be of use to project managers and employers agents under WCD 98 Contractors will also find much of interest

Board of Contract Appeals Decisions United States. Armed Services Board of Contract Appeals, 1961 The full texts of Armed Services and other Boards of Contract Appeals decisions on contracts appeals

International Construction Contract Law Lukas Klee, 2018-07-05 The updated second edition of the practical guide to international construction contract law The revised second edition of International Construction Contract Law is a comprehensive book that offers an understanding of the legal and managerial aspects of large international construction projects This practical resource presents an introduction to the global construction industry reviews the basics of construction projects and examines the common risks inherent in construction projects The author an expert in international construction contracts puts the focus on FIDIC standard forms and describes their use within various legal systems This important text contains also a comparison of other common standard forms such as NEC AIA and VOB and explains how they are used in a global context The revised edition of International Construction Contract Law offers additional vignettes on current subjects written by international panel of numerous contributors Designed to be an accessible resource the book includes a basic dictionary of construction contract terminology many sample letters for Claim Management and a wealth of examples and case studies that offer helpful aids for construction practitioners The second edition of the text includes Updated material in terms of new FIDIC and NEC Forms published in 2017 Many additional vignettes that clearly exemplify the concepts presented within the text Information that is appropriate for a global market

rather than oriented to any particular legal system The essential tools that were highlighted the first edition such as sample letters dictionary and more A practical approach to the principles of International Construction Contract Law and construction contract management Does not get bogged down with detailed legal jargon Written for consulting engineers lawyers clients developers contractors and construction managers worldwide the second edition of International Construction Contract Law offers an essential guide to the legal and managerial aspects of large international construction projects

Civil Engineer's Handbook of Professional Practice Karen Lee Hansen, Kent E. Zenobia, 2011-03-31 A well written hands on single source guide to the professional practice of civil engineering There is a growing understanding that to be competitive at an international level civil engineers not only must build on their traditional strengths in technology and science but also must acquire greater mastery of the business of civil engineering Project management teamwork ethics leadership and communication have been defined as essential to the successful practice of civil engineering by the ASCE in the 2008 landmark publication Civil Engineering Body of Knowledge for the 21st Century BOK2 This single source guide is the first to take the practical skills defined by the ASCE BOK2 and provide illuminating techniques quotes case examples problems and information to assist the reader in addressing the many challenges facing civil engineers in the real world Civil Engineer's Handbook of Professional Practice Focuses on the business and management aspects of a civil engineer's job providing students and practitioners with sound business management principles Addresses contemporary issues such as permitting globalization sustainability and emerging technologies Offers proven methods for balancing speed quality and price with contracting and legal issues in a client oriented profession Includes guidance on juggling career goals life outside work compensation and growth From the challenge of sustainability to the rigors of problem recognition and solving this book is an essential tool for those practicing civil engineering

The American Contractor, 1910 How to Write It, Third Edition Sandra E. Lamb, 2011-08-30 Write personal and professional communications with clarity confidence and style How to Write It is the essential resource for eloquent personal and professional self expression Award winning journalist Sandra E Lamb transforms even reluctant scribblers into articulate wordsmiths by providing compelling examples of nearly every type and form of written communication Completely updated and expanded the new third edition offers hundreds of handy word phrase and sentence lists precisely crafted sample paragraphs and professionally designed document layouts How to Write It is a must own for students teachers authors journalists bloggers managers and anyone who doesn't have time to wade through a massive style guide but needs a friendly desk reference

The Commercial Mediator's Handbook Cyril Chern, 2014-09-19 Mediation as a method of dispute resolution is well known and practised worldwide and this book provides the knowledge necessary for those actively involved in mediation work as well as for those who need to learn the process This is an invaluable guide on how to mediate what forms should be used and what techniques can be applied by the mediator to obtain a successful result It also provides essential guidance on how to deal with large complex

international commercial disputes and their effective administration Key features of this book include In depth discussion of both the existing and historical international case law on mediation including its history under the British Common law European Civil law and Muslim Shari ah law Analysis of the differences between the various forms of mediation agreements with sample wording to add to or modify these forms as needed In depth discussion of the ethical requirements relating to mediation and mediators Sample forms for use in commencing mediation In depth discussion of actual mediations how they should be conducted techniques to use and sample forms General forms for use in complex international mediation form agenda and mediation statements Mediator disclosure forms questionnaires for potential mediators and parties and comparison of mediation agreements and sample forms Discussion of how to effectively use witnesses and the preparation and presentation of witness statements in mediation International case studies with statements of claims and responses This book will be essential reading for those involved in international commercial and construction mediation New York Court of Appeals. Records and Briefs. New York (State)., **A Contractor's Guide to the FIDIC Conditions of Contract** Michael D. Robinson,2011-02-16 This guide will help the contractor s staff overcome some of the difficulties encountered on a typical international contract using FIDIC forms The majority of FIDIC based contracts use the Red Book Conditions of Contract for Construction so this book concentrates on the use of those particular forms Supplementary comments are included in Appendix C for the Yellow Book Plant legal advice should be obtained as and when necessary particularly if the Contractor has little or no knowledge of the local law Armed on site with a copy of The Contractor and the FIDIC Contract the Contractor s Representative will be more able to avoid contractual problems rather than spend considerable time and energy resolving those problems once they have arisen *Report* United States. Congress. House, **Report** United States. Congress Senate, *Request for Proposal (RFP) HC-14267 to Manage the Multifamily Tenant Characteristics Systems (MTCS) for the Department of Housing and Urban Development* United States.
