Report Writing for Police Officers (2nd ed.) Wayne L. Davis, Ph.D., 2013-11 This book is designed for criminal justice instructors It requires them to help students work through the various police reports The reports are intentionally left incomplete to require students to work through them Some reports may seem to ask confusing questions which may lead to unreliable responses This is to be used as a lesson unreliable responses create statistics that are not valid Managers need to improve the forms in order to obtain valid data This book first discusses communication theory and how it applies to police officers and prosecutors in the courtroom Information presented in the courtroom by police officers has a significant impact upon the jurors Indeed police officers communicate both verbally and nonverbally in the courtroom and this affects their credibility on the stand Furthermore by employing persuasion theories prosecutors can align the officers testimonies to the jurors particular communication preference Second this book discusses truth as it relates to probable cause and beyond reasonable doubt Finally because report writing is a significant part of police work this book presents a variety of police forms that will engage students in written communication

Report Writing for Criminal Justice Professionals Larry S. Miller, John T. Whitehead, 2014-10-13 The criminal justice process is dependent on accurate documentation Criminal justice professionals can spend 50 75% of their time writing administrative and research reports Report Writing for Criminal Justice Professionals Fifth Edition provides practical guidance with specific writing samples and guidelines for providing strong reports Much of the legal process depends on careful documentation and the crucial information that lies within but most law enforcement security corrections and probation and parole officers have not had adequate training in how to provide well written accurate brief and complete reports Report Writing for Criminal Justice Professionals covers everything officers need to learn from basic English grammar to the difficult but often ignored problem of creating documentation that will hold up in court This new edition is updated to include timely information including extensive coverage of digital reporting updates on legal issues and privacy rights and expanded coverage of forensics and scientific reporting

Planning Wayne N. Welsh,Philip W. Harris,2012-01-31 Unlike other textbooks on the subject Criminal Justice Policy and

Planning presents a comprehensive and structured account of the process of administering planned change in the criminal justice system Welsh and Harris detail a simple yet sophisticated seven stage model which offers students and practitioners a full account of program and policy development from beginning to end The authors thoughtfully discuss the steps analyzing a problem setting goals and objectives designing the program or policy action planning implementing and monitoring evaluating outcomes and reassessing and reviewing Within these steps students and policy makers focus on performing essential procedures such as conducting a systems analysis specifying an impact model identifying target populations making cost projections collecting monitoring data and performing a meta analysis In reviewing these steps and procedures readers can develop a full appreciation for the challenges inherent in the process and understand the tools required to meet those challenges To provide for a greater understanding of the material the text uses a wide array of real life case studies and examples of programs and policies Examples include policies such as Restorative Justice The Second Chance Act Three Strikes Laws and the Brady Act and programs such as drug courts boot camps and halfway houses By examining the successes and failures of these innovations the authors demonstrate both the ability of rational planning to make successful improvements and the tendency of unplanned change to result in undesirable outcomes The result is a powerful argument for the use of logic deliberation and collaboration in criminal justice innovations *Directory of Automated Criminal Justice*
