Did They Rest in Peace? Joseph William Lewis Jr. M.D.,2018-10-18 Ashes to ashes dust to dust By what miracle can an assortment of seemingly unrelated particles come together and correctly assemble to form a human being Amazingly once aggregated these atoms molecules and compounds manage to interact reasonably

coherently during our lives but seek to return to their dusty state when death occurs Of the billions of our species who have existed on earth over the millennia most have quietly and inexorably returned to ashes and dust when their term of life expired This book tracks some of the misadventures of selected corpses including burials that went awry to body snatching exhumations human relic collection and assorted desecrations Over the years it seems that a remarkable number of bodies have failed to enjoy the admonition to Rest in Peace Whether these aberrations in the burial process have disturbed the afterlife of the departed everyone is dying to discover the answer *Last and Near-Last Words of the Famous, Infamous and Those In-Between* Joseph W. Lewis Jr. M.D.,2016-10-28 The author has assembled a collection of 3 676 last words from a select group of individuals as they faced their approaching demise This compilation illuminates a group of beings ranging from convicted criminals to the most holy Some serenely committed their souls to a higher being while others railed against oncoming death Many are famous some are notorious and others blur into a less well defined subgroup The majority of entries consist of final spoken words but a few wills epitaphs diaries and last letters are also included in this collection A brief sketch of each person includes birth and death dates country of origin and a short biographical sketch Farewells spoken after the turn of the twenty first century ensure that this compilation has some of the most up to date material in this genre

The Mammoth Book of Losers Karl Shaw,2014-06-05 This compendious celebration of ineptitude includes some of history's most spectacularly ill conceived expeditions and entirely useless pursuits and features tales of black comedy insane foolhardiness breathtaking stupidity and relentless perseverance in the face of inevitable defeat It rejoices in men and women made of the Wrong Stuff writers who believed in the power of words but could never quite find the right ones artists and performers who indulged their creative impulse with a passion if not a sense of the ridiculous an eye for perspective or the ability to hold down a tune scientists and businessmen who never quite managed to quit while they were ahead and sportsmen who seemed to manage always to snatch defeat from the jaws of victory Like Walter Oudney one of three men chosen to find the source of the River Niger in Africa who could not ride a horse nor speak any foreign languages and who had never travelled more than 30 miles beyond his native Edinburgh or the explorer priest Michel Alexandre de Baize who set off to explore the African continent from east to west equipped with 24 umbrellas some fireworks two suits of armor and a portable organ or the Scottish army which decided to invade England in 1349 during the Black Death Entries include briefest career in dentistry least successful bonding exercise most futile attempt to find a lost tribe most pointless lines of research by someone who should have known better least successful celebrity endorsement least convincing excuse for a war worst poetic tribute to a root vegetable least successful display of impartiality by a juror Devon Loch sporting metaphor for blowing an unblowable lead least dignified exit from office by a French president and least successful expedition by camel **Mad, Bad and Dangerous to Know** Karl Shaw,2017-04-13 The alarming history of the British and European aristocracy from Argyll to Wellington and from Byron to Tolstoy stories of madness murder misery greed and profligacy From Regency
