## Narrative Essay - Peer Review Checklist

### Guidelines for a Reader's Response

**Make your responses as detailed as possible. Use specific examples to illustrate your points. Be honest, helpful, constructive, and positive.**

1. **SAYBACK:** Tell the writer exactly what you got out of the essay—what meaning you found in it. Interpret what the writer says. For example, "I feel like this essay is about your frustration with your family. You seem to feel..."

2. **POINTING:** Indicate specific parts of the essay that were effective for you and why (maybe a good description sentence or subjective detail). Also, indicate specific parts that were not effective for you and why (confusing narration, point of view etc...).

3. **QUESTIONING:** Ask the writer questions about his/her essay. What were you wondering about when you read this essay? Was anything unclear? What more do you want to know about the issue, the writer and his/her views?

4. **WHAT'S MISSING:** Are any of the questions that you posed above important to the meaning of the essay and "reader-relevance"? If so, what is missing from the essay that would make it more effective? Are there significant gaps in the narrative? Are there unstated assumptions that create confusion?
