Hearts & Collars Dan & Dawn Williams, When we started our power exchange relationship we didn't have many models for it. We didn't know people who practiced authority transfer. We both came into it with emotional burdens and trauma. And in spite of that we were able to consciously design a power exchange relationship that helps us both grow, brings us closer, emotionally helps us heal some of those hurts and fulfills our deep desires. The tools we share in this book are ones that have worked for us over the last twenty years. We hope some of them will help you avoid pitfalls we stumbled into. Some of them may be right for you or for your partner(s) and some of them may not. Like going clothes shopping we invite you to try everything on and if it doesn't fit leave it on the rack. If there's one thing we hope you take away from this book it's this: whoever you are, whatever you've been through, you have the ability to reflect and grow and become the person you want to be. Although it does take work, unflinching honesty with yourself and compatible partner(s) it is possible to create relationships that hold you up and help you thrive. We did it. So can you. Dan and Dawn began their power exchange relationship in 2001. Since then they have presented at hundreds of events, co-authored five books and hosted over six hundred episodes of the Erotic Awakenings podcast. They were part of the team that created the Columbus Space and they have served as co-producers of PXS Power eXchange Summit and BTL Beyond the Love a Polyamory Summit. Dan and Dawn have been recognized as MAsT International Member's Choice Presenters of the Year 2016, Great Lakes title holders 2010 and as featured educators on both Kink Academy and Creative Sexuality.
