

Dear Veteran,

Thank you for your service!
I greatly appreciate all that
you have done for this country
and all the sacrifices you have
made. Everything you do is for
the benefit of others and you
should know that you are recognized
and respected. Even the littlest
actions make a difference. You
are a HERO to many. Thank you
for all you have done!

In great Honor,
Emma Schuck

Visser integrating insights from care studies this book offers a comprehensive approach to understanding care across various fields. It bridges the gap between research methodology and professional and personal realities and concerns of care. Readers will benefit from insights derived from care ethics and theory which highlight relationality, shared responsibility, intersubjectivity and vulnerability in dynamic interactions within care settings extending beyond healthcare altogether. This practical approach offers an inclusive and adaptable understanding of care case studies. Here care is broadly defined as encompassing all that is done to enhance personal and other well-being including shared responsibilities, responsiveness to evolving needs and the ongoing negotiation of optimal solutions. Step by step this book guides both novice and experienced researchers in prioritizing issues and concerns, context-specific details, relationships, the richness of lived experiences and personal narratives when studying and advancing care. It provides insights into the strengths of case studies in learning about care and supports a more nuanced responsive approach to research in everyday ordinary practices.
