Landforms Salt Cellar

Today is your lucky day! Do you know why? Because you get to create a landforms salt cellar and play it! I know it's amazing.

You know how to make salt cellars in general, so here are the specifics for this one:

- You will write 8 questions and answers about landforms using the landforms from the Extraordinary List of Lovely Landforms.
- The 8 landforms should all be from **one** of the categories you started the landforms into with your group. Get 47 all 8 from one group.
- You will draw one large image and four small images. Your images can be of any landforms you wish, and they **don't** need to match the landforms you choose for your questions and answers.
- Follow the pattern in the picture below. Pay careful attention: the direction of the image and text matter. Follow the orientation as shown in the image, or you will be sad.
- Be sure to write your name on the back of your salt cellar.
