

Informal Letter

Formats for Informal Letter in the Malaysian school system:

Students are taught to:

- include the writer's address and date in the upper right-hand corner. The date can be written in different forms. (7th September 2009, 7 SEPTEMBER 2009 or 7.9.2009)
- use the most common salutation. (Dear John)
- indent paragraphs.
- include a suitable complimentary close. (Your loving daughter)
- Do not use 'Regards' as it is considered slightly more formal and distant.
- Also, do not use 'Best Wishes' as this is considered inappropriate.
- use proper punctuation. For example, a comma should be used after the salutation and complimentary close.
- use capitalisation where necessary. For example, the month of the date (10 January 2009), the salutation (Dear Maria)

Under normal circumstances, it is perfectly acceptable to use informal language (e.g. stuff, jam-packed) and contractions (I'll, won't) in an informal letter, but this is usually not acceptable in the local examination system.

Let's look at some important aspects of an informal letter.

1. Organisation

Paragraph 1 – include formalities; give reason for writing the letter.

Paragraph 2 onwards – depends on the reason for writing the letter.
If your reason is to tell the recipient about your holiday, then you will include details of the holiday.

The last paragraph – you can give a reason why you have to stop writing such as:

Sample Essay Spm Informal Letter

Anthony S. Fauci

Sample Essay Spm Informal Letter:

Exploring Climate Change through Science and in Society Mike Hulme, 2013-09-11 Mike Hulme has been studying climate change for over thirty years and is today one of the most distinctive and recognisable voices speaking internationally about climate change in the academy in public and in the media The argument that he has made powerfully over the last few years is that climate change has to be understood as much as an idea situated in different cultural contexts as it is as a physical phenomenon to be studied through universal scientific practices Climate change at its core embraces both science and society both knowledge and culture Hulme's numerous academic and popular writings have explored what this perspective means for the different ways climate change is studied narrated argued over and acted upon Exploring Climate Change through Science and in Society gathers together for the first time a collection of his most popular prominent and controversial articles essays speeches interviews and reviews dating back to the late 1980s The 50 or so short items are grouped together in seven themes Science Researching Culture Policy Communicating Controversy Futures and within each theme are arranged chronologically to reveal changing ideas evidence and perspectives about climate change Each themed section is preceded with a brief introduction drawing out the main issues examined Three substantive unpublished new essays have been specially written for the book including one reflecting on the legacy of Climategate Taken as a collection these writings reveal the changes in scientific and public understandings of climate change since the late 1980s as refracted through the mind and expression of one leading academic and public commentator The collection shows the many different ways in which it is necessary to approach the idea of climate change to interpret and make sense of the divergent and discordant voices proclaiming it in the public sphere Reassessing Collingwood, 1990 **Essay Writing** MANI JACK, 2019-02-20 Samples of excellent English essays argumentative essay descriptive essay narrative essay formal letter informal letter report writing talk farewell speech inspirational speech article tips on how to write excellent English essays vocabulary School Essays And Letters H.
