Contradiction Days JoAnna Novak, 2023-07-25 For readers of Rachel Cusk and Maggie Nelson the rapturous memoir of a soon to be mother whose obsession with the reclusive painter Agnes Martin threatens to upend her life Five months pregnant and struggling with a creative block JoAnna Novak becomes obsessed with the enigmatic abstract expressionist painter Agnes Martin She is drawn to the contradictions in Martin's life as well as her art the soft and exacting brushstrokes she employs for grid like compositions that are both rigid and dreamy But what most calls to JoAnna is Martin's dedication to her work in the face of paranoid schizophrenia Uneasy with the changes her pregnant body is undergoing JoAnna relapses into damaging old habits and thought patterns When she confides in her doctor that she's struggling with depression and suicidal ideation he tells her she must stop being so selfish given she has a baby on the way and start taking antidepressants Appalled by his patronizing tone and disregard of her mental health history JoAnna instead turns to Martin for guidance adopting the artist's doctrine of joyful solitude and isolation JoAnna heads to Taos where Martin lived for decades and gives herself three weeks to model her hermetic existence phone off email off no talking to her husband no touching the dog Out of a deep solitary engagement with a remarkable artist's body of work emerges an entirely new way for JoAnna to relate to the contradictions of her own body and face up to the joys and challenges of impending motherhood

The Television Treasury Vincent Terrace, 2020-05-21 The first and only of its kind this book is a straightforward listing of more than 25 000 trivia facts from 2 498 TV series aired between 1947 and 2019 Organized by topic trivia facts include everything from home addresses of characters to names of pets and jobs that characters worked Featured programs include popular shows like The Big Bang Theory and Friends and more obscure

programs like A Date with Judy or My Friend Irma Included is an alphabetical program index that lists trivia facts grouped by series Seeking Integrity in Teacher Education Ann Katherine Schulte,2008-11-01 In this book a teacher educator examines her practice as a way of learning about teaching as well as challenging teacher education It is about how one teacher educator sought to transform the perspectives of her student teachers in order to better prepare them to teach diverse populations of students while challenging her own beliefs about how best to do that The author seeks integrity in her practice defined as her ability to enact what she teaches preservice teachers to do In particular this book is a self study that contributes to understanding the broader question How much can one affect and change the discourse within education when one also inhabits the characteristics that are privileged by the institution The teacher education literature supports the need to study this type of self reflection Other researchers have pointed out that the role of teacher educators cultural identities in reforming education has been largely ignored in the literature This book offers a unique perspective on the analogous relationship involved when a teacher educator teaches teachers how to examine the impact of their own identities on their teaching while examining that herself **Cyclops One** Jim DeFelice,2003-10-01 EYE IN THE SKY Cyclops One

America s most advanced airborne laser system Capable of taking out a dozen missiles and warplanes from three hundred miles away it will change the face of combat forever perhaps rendering war itself obsolete Until the plane carrying it vanishes in a storm over the Canadian Rockies With the specter of sabotage or something worse looming over the entire operation America s top investigators are called onto the case The best is Special Agent Andy Fisher whose irreverent manner and unorthodox techniques have gained him the reputation as both a genius and a wild card within the FBI As Fisher s investigation deepens more questions emerge about the laser the hyper secretive private agency that developed it and the true motives of those involved in the Cyclops One project a conspiracy that may end with the beginning of World War III

Laden Choirs Peter Wolfe, 2014-07-15 In 1973 the Australian novelist Patrick White won the Nobel Prize for Literature the year that his great novel of family ties and change *The Eye of the Storm* was published and became a bestseller in America and Europe Yet White is still not widely known or read and few writers of today have provoked so many contradictory judgments Now Peter Wolfe has written the first book length study of the work of this brilliant and haunting novelist The study offers a subtle penetrating examination of White's style his skill in building narrative tension and also the depth and complexity reflected in his characterization which in his novels always dominates action Fittingly for a writer whose novels bear the indelible stamp of Australia the study also examines White's psychological use of setting and the intense sense of place found in his work No other critical study of White covers such a broad range of his writing Peter Wolfe considers here the entire canon of the novels *The Tree of Man* *Voss* *The Vivisector* *The Eye of the Storm* *A Fringe of Leaves* and *The Twyborn Affair* White's most

recent novel are all discussed White's themes and settings range from the power and immensity of the wilderness of the Australian outback to the dislocations wrought in traditional values by postwar industrialization and urban sprawl *Laden Choirs* makes accessible to an American audience a writer of the first rank whose work lies at the heart of modernist concerns Literary students and scholars who wish to explore the world of Patrick White will find this book an essential key

Broken Lion Devon Hartford, 2016-07-31 The law says I can't love her I don't care what the law says I'm gonna love her anyway Lion Maxwell FEEL THE BEAST The night the EMTs wheeled Lion Maxwell into my Emergency Room turned my life upside down Although he was bloody and battered from defending his title as the reigning cruiserweight champion of Mixed Martial Arts his cocky grin lit up the room And every cell in my body Our fiery chemistry was off the charts The ER staff sensed it Lion's entourage and his drooling groupies sensed it too SHE SAID SHE DIDN'T WANT ME SHE WAS WRONG If the two of us had been alone I might have done something entirely unprofessional and completely unethical right there in the exam room But I was his attending physician A sexual or romantic relationship with him was grounds for my termination or worse revoking my medical license I wouldn't risk my career on a moment of passion It didn't stop that arrogant caveman from doing everything he could to get me into his hospital bed WANTING HIM WOULD RUIN ME After denying his advances for weeks the last thing I expected were the wild nights he would be spending in my bed It was supposed to be nothing more than a secret fling I knew it couldn't last He was still my patient What we were doing was wrong If anyone found out it could ruin my life But we couldn't let go We were bound to each other on some primal level that consumed us Sometimes love is tragic Sometimes two people aren't meant to be together But sometimes two people overcome all adversity and build a love that lasts forever Deep in my heart I knew that Lion Maxwell could be my forever love As long as we kept our love a secret I wish I'd known beforehand that some secrets are too hard to keep *Broken Lion* is a scorching hot standalone romance with an HEA and no cheating
