

The book cover features a vibrant, abstract background with a large, colorful sailboat sail in shades of yellow, red, and blue. A bright yellow beam of light shines from the top left corner. In the foreground, a white satellite dish with two black circular antennas is positioned on a green surface. To the right, a blue slide curves down towards a body of water. The water is depicted with white, foamy waves. The overall design is dynamic and colorful, suggesting themes of science, nature, and human-made structures.
