Federal Trade Commission,1928 *Day Trading Exposed* Joe DiChristophoro, The live markets are an intimidating and brutal place for beginner who starts off with the wrong information They can be a mysterious murky and complicated place for the ill advised By following the advice in this book and keep it simple and taking very slow and absorbing every detail you can have the best chance for a high probability outcome as a successful market participant Make no mistake the market can make you lose your mind burn your soul and help you to lose all your money Quickly There is information in this book that real money investors and traders don t want you to know why you ask It is the brand new novice retail investor and trader that the elite professionals and also the smart money in the live markets get paid from How is this Brand new aspiring and

upcoming traders all make the same mistakes over and over again You either GET IT in this business or you don't The professional elite money makers in the live markets are counting on this so they can transfer the novice trader's account to theirs on a daily basis The smart money is the Wall Street banks and institutions who are the market makers and herders of the sheeple of the herd Who are the sheeple of the herd you might be asking you that's who the unsuspecting beginner retail trader Brand new retail traders have no idea they are being gamed and that they are the ones who pay those in the live market that know what they are doing it is simply a transfer of accounts of those who have not done the proper education and training and are trying to wing it too those who have If you are brand new investor or trader just getting into this business with zero knowledge or experience I invite you pay close attention to the information in this book because it is written specifically for you If you want to make money and be consistently profitable on a daily basis this book will give you a head start to getting your money train cruising down tracks of gold right to the front door of your bank Wall Street does not like traders to know the information in this book because brand new traders with no information who don't take the time to educate themselves properly are an endless source of revenue for the Wall Street banks and institutions who are in the business of making money with money Most of the time it is the retail trader's money they are banking Once you are done reading this entire book you will have an idea if this business is for you or not The information in this book paints a brutal picture of the reality of the live markets for a retail sheeple of the herd trader should they not do the proper preparation to work with the best human professional traders in the world and also the best machines in the world who are programmed by code slinging geeks who make a million dollars a year to code the super computer to see you making your mistakes over and over again Ask yourself this question Do you want to be the one who is paying or do you want to be the one who GETS paid

House documents ,1879 House Documents USA House of Representatives,1872 The Day Trading Realist Joseph Dinero, This book is going to give some brutal reality of what trading the financial markets are like from someone who is in them every day and uses real money to work with If you can just take the time to read this information in this book logically think about it let it sink in and then continue on your educational journey you will have done yourself a huge favor and also begun to give yourself the needed edge to succeed in this business I wrote this book for all beginning aspiring investors and traders who are just getting their head around doing the investing and trading business Everyone has their own ideas of what they think investing and swing trading are and what it can do for them This book is for beginners and will detail many of the things that a brand new trader must learn and what not to do before they can become consistently profitable in the live markets Make no mistake the live markets are full of people who will walk over the smoking wreckage you're blown up account to get paid and not think twice about it It is just business as usual in the for them every day and should you not take the time think about what you are doing and rush to learn anything in this business only one thing will happen Smoking wreckage Are you going to let that happen The information I give to brand new investors and day traders is very specific and

is strictly meant for those who have zero knowledge of the futures markets When you are done reading this short book you will know what the first and most important things to study are This information will save you a lot of time and cut down your learning curve which can be long and very expensive in this business The reason you bought this book and why it is unique is that it is going to tell you about the who what where when and how about what you need to know to be able to trade and invest in today s futures markets or any market with confidence and zero fear and to be able to do it the right way from the very start Knowing the proper information from the beginning is critical to your success in this business and this book gives you head start to getting on the fast track to driving your money train to the bank every day **Conduct of Halsted L.**
