Cuba Louis A. Pérez,2015 Spanning the history of the island from pre Columbian times to the present this highly acclaimed survey examines Cuba s political and economic development within the context of its international relations and continuing struggle for self determination The dualism that emerged in Cuban ideology between liberal constructs of patria and radical formulations of nationality is fully investigated as a source of both national tension and competing notions of liberty equality and justice Author Louis A P rez Jr integrates local and provincial developments with issues of class race and gender to give students a full and fascinating account of Cuba s history focusing on its struggle for nationality
