School Library Journal ,1997 The Saturday Evening Post ,1905 *The Chicago Record* ,1857 God Loves

Diversity and Justice Susanne Scholz, 2013-05-16 Both personal and scholarly in tone this book encourages readers to think theologically ethically and politically about the statement that declares God loves diversity and justice The multi religious multi ethnic multi disciplinary and multi gendered identities of the eleven contributors and two respondents deepen the conversation It considers questions such as Do we affirm or challenge this theological statement Do we concentrate on God in our response or do we interrogate what diversity and justice mean in light of God s love for diversity and justice Alternatively do we prefer to ponder the verb to love and consider what it might mean for society if people really believed in a divinity loving diversity and justice Of course there are no easy and simple answers whether we consult the Sikh scriptures the Bible the Qur an the movies the Declaration of Human Rights or the transgender movement but the effort is worthwhile The result is a serious historical literary cultural and religious discourse that fends against intellectually rigid thought and simplistic belief systems across the religious spectrum In our world in which so much military unrest and violence economic inequities and religious strife prevail such a conversation nurtures theological ethical and political possibilities of inclusion and justice
