Hearings on the National Endowment for the Arts United States. Congress. House. Committee on Education and Labor. Subcommittee on Labor-Management Relations, 1994 The Cycle Michael M. Kaiser, Brett E. Egan, 2013-09-03 In the third book of his popular trilogy on creating and sustaining arts organizations Michael Kaiser reveals the hidden engine that powers consistent success According to Kaiser successful arts organizations pursue strong programmatic marketing campaigns that compel people to buy tickets enroll in classes and so on in short to participate in the organization s programs Additionally they create exciting activities that draw people to the organization as a whole This institutional marketing creates a sense of enthusiasm that attracts donors board members and volunteers Kaiser calls this group of external supporters the family When this hidden engine is humming staff board and audience members artists and donors feel confidence in the future Resources are reinvested in more and better art which is marketed aggressively as a result the family continues to grow providing even more resources This self reinforcing cycle underlies the activities of all healthy arts organizations and the theory behind it can be used as a diagnostic tool to reveal and remedy the problems of troubled ones This book addresses each element of the cycle in the hope that more arts organizations around the globe from orchestras theaters museums opera companies and classical and modern dance organizations to service organizations and other not for profit cultural institutions will be able to sustain remarkable creativity pay the bills and have fun doing so The Art Museum as Educator Council on Museums and Education in the Visual Arts, Barbara Y. Newsom, Adele Z.
