Dear **[Recipient Name]**:

This letter will confirm our discussion regarding your termination. Your employment with this company is terminated, effective today, because of falsified information on your employee application.

Unfortunately, your action in this matter leaves us no choice. Our application form clearly states that falsifying information will lead to disciplinary action, up to and including dismissal.

Sincerely,

101 Sample Write-Ups for Documenting Employee Performance Problems Paul Falcone, 2010-03-24 Whether you're addressing an initial infraction or handling termination worthy transgressions you need to be 100 percent confident that every employee encounter is clear, fair and most importantly legal. Thankfully HR expert Paul Falcone has provided this wide-ranging resource that explains in detail the disciplinary process and provides ready-to-use documents that eliminate stress and second-guessing about what to do and say. Revised to reflect the latest developments in employment law, the third edition of *101 Sample Write-Ups for Documenting Employee Performance Problems* includes expertly crafted, easily customizable write-ups that address sexual harassment, absenteeism, insubordination, drug or alcohol abuse, substandard work, email and phone misuse, teamwork issues, managerial misconduct, confidentiality breaches, social media abuse and more. With each sample document also including a performance improvement plan, outcomes and consequences, and a section of employee rebuttal, it's easy to see why over 100,000 copies have already been sold, making life for managers and HR personnel significantly easier when it comes to addressing employee performance issues.

FDA Warning Letters About Food Products Joy Frestedt, 2017-08-29 FDA Warning Letters About Food Products: How to Avoid or Respond to Citations uses examples of FDA warning letters about food products as training tools to discuss important quality and manufacturing issues encountered by food companies around the world as they bring food products into the US market. Focused specifically on FDA warning letters surrounding new dietary ingredients and dietary supplements, the book first introduces FDA warning letters in general. Each chapter then focuses on specific issues identified, including HACCP, quality systems, imports, exports, food contact issues, etc. This book helps the food industry train professional team members across the spectrum of experience levels to avoid common issues often cited in warning letters. It serves both as an authoritative reference on the common types of warning letters issued to food companies today and as a guide to best practices for food manufacturers. Includes a range of specific warning letters as case studies and examples of method application. Synthesizes often complex information into a clear presentation of FDA warning letters and how to deal with them. Describes techniques and methodologies to guide readers to the solution most appropriate for their scenario.

Detecting Forgery Joe Nickell, 2014-07-11 *Detecting Forgery* reveals the complete arsenal of forensic techniques used to detect forged handwriting and alterations in documents and to identify the authorship of disputed writings. Joe Nickell looks at famous cases such as Clifford Irving's autobiography of Howard Hughes and the Mormon papers of document dealer Mark Hoffman, as well as cases involving works of art. *Detecting Forgery* is a fascinating introduction to the growing field of forensic document examination and forgery detection.
