facing the area of databases and expert systems i.e. topics of basic research interest on one hand and questions occurring when developing applications on the other. Major credit for the success of the conference goes to all of our colleagues who submitted papers for consideration and to those who have organized and chaired the panel sessions. Many persons contributed numerous hours to organize this conference. The names of most of them will appear on the following pages. In particular, we wish to thank the Organization Committee Chairmen Johann Gordesch, A Min Tjoa, and Roland Wagner who also helped establishing the program. Special thanks also go to Gabriella Wagner and Anke Ruckert. Dimitris Karagiannis, General Conference Chairman, Contents Conference Committee.
