

How to write an Extended Response

1. Actively read the question before you do anything else!
 - Underline the subject of the essay and mark it with an S
 - Underline the topics of your body paragraphs and mark them with a T.S.
 - In the Bullets sections, find and mark your points by underlining the key words and putting a ^ near each point.
2. Outline your body paragraphs on the planning page. You will have either 2 or 3 body paragraphs and you could have either 2 or 3 points in each. Since you just actively read your question, you should know exactly what you need to outline.
 - Remember, the extended response is "scaffolded." That means that the details in your graphic organizer and short responses are the details that you build on/use in your essay.
 - Be VERY SPECIFIC! GO BACK to your NOTES or the TEXTS to get specific details! Don't trust your memory.
 - Keep your outline short! Only use 1-4 words per line. Remember, the outline is to guide you in writing your essay. It isn't the essay itself.
 - Spend no more than 10 minutes actively reading the question and outlining.
3. Write your introduction paragraph. Every introduction paragraph has at least four sentences. Think of an introduction as being shaped like an upside down triangle. You start general (wide) and narrow to your point.
 - 1st sentence = GENERAL OPENING STATEMENT (also called the warm up or the motivator). This is where you introduce the SUBJECT of your essay. This should be found in the question, and you should have marked it during active reading.

ALL
 - 2nd sentence = NARROWED STATEMENT this is where you begin to limit your subject so that you can introduce more specific topics.

SOME
 - 3rd sentence = ROADMAP. This is where you explain what the topics of your body paragraphs will be. If you have 2 body paragraphs, then you must introduce 2 topics in your roadmap sentence. If you have 3 body paragraphs, then you must introduce 3 topics in your roadmap sentence. Etc.

THESE 2 or 3
 - 4th sentence = THESIS STATEMENT (also called the CONTROLLING IDEA) This is where you express your opinion that you are going to be writing about. However, NEVER USE 1st PERSON! State your opinion as if it was fact.

OPINION STATED AS FACT
