Huang, Paul A. Gaudio, 2012-03-28 The Ocular Inflammatory Disease and Uveitis Manual is a practical concise clinical reference for resident and practicing ophthalmologists and optometrists treating uveitis patients and an excellent review for the OKAP exam and ophthalmology and optometry boards Designed for quick point of care reference the book features numerous full color photographs and bulleted how to instructions for workup and treatment of each disorder The state of the art coverage of medical and surgical treatment includes drugs expected to be approved in 2010 The manual is organized into anterior intermediate and posterior disease plus separate sections for corneal and sclera inflammation and infection masquerading syndromes All topics are further divided into autoimmune and infectious sections for quick lookup of a disorder *Uveitis* E. Mitchell Opremcak, 2012-12-06 As a garden is to a gardener so a book is to its author Nurtured out of love both are a source of pride and hope Microbiology immunology infectious diseases rheumatology and ophthalmology are the seeds of this textbook on uveitis Over the years these branches of medicine have been cultivated and garnered to care for patients with inflammatory diseases of the eye a most hardy species in the family of ocular maladies The aim of this clinical manual is to give both a serviceable frame work and practical information on ocular inflammatory disease The first section is devoted to general principles and commonly held sup positions in the field of uveitis A system of diagnosis based on the differential is also offered Traumatic uveitis is addressed in the second section The third part examines infectious diseases that have been identified with uveitis These are frequently curable forms of ocular inflammation caused by replicating foreign antigens The fourth section of this textbook considers inflammatory diseases of the eye with a presumed autoimmune mechanism A disobedient autoreactive immune response is postulated to play a role in these forms of uveitis Masquerade and idiopathic conditions are discussed in the final chapters Etiology epidemiology pathogenesis clinical presentation diagnosis differential diagnosis treatment and prognosis are provided for each disease syndrome As with most gardens there are many styles and delightful entrances to the field of uveitis Uveitis Nicholas P Jones, 2012-12-18 Uveitis is a complex condition with a variety of causes and clinical manifestations Certain types are extremely serious and can cause severe ocular morbidity if undetected and untreated Even experienced ophthalmologists find it a difficult and frustrating condition with the result that it is often misdiagnosed and mistreated The wide array of diseases that can affect the uveal

tract and the impact of immunological research with resulting discovery of new uveitis entities mean that clinicians managing patients with uveitis require a broad knowledge not only of relevant ophthalmology but also immunology and general medicine This book is designed to provide trainee and practising ophthalmologists with a user friendly up to date review of today s body of knowledge about this difficult condition and a practical guide to its diagnosis and management From the foreword to the first edition written by Jack Kanski This book presents a complex subject in a logical systematic and easily digestible manner I have learned much from reading it myself and some of my rather hazy ideas on the subject have been crystallised Above all the book contains lots of common sense It is an excellent resum of current knowledge which I am sure will be extremely useful to consultants ophthalmologists in training physicians and all who deal with uveitis Key Points Extensively revised and updated to include latest management protocols and references High proportion of clinical photographs new to this edition drawn from author s personal collection and reproduced to highest quality Uveitis 2 e reflects unique experience of the author Nicholas Jones a superb world renowned clinician and inspiring teacher who created the Uveitis Clinic at the REH in Manchester serving the Northwest of England and treating thousands of patients
