EBOOK: Financial Accounting Robert Libby, Daniel Short, Patricia Libby, 2014-04-16 This Global edition has been designed specifically to meet the needs of international financial accounting students The text successfully implements a real world single focus company approach in every chapter The companies chosen are engaging and the decision making focus shows the relevance of financial accounting in the real world In addition to the latest examples of both contemporary and traditional topics new material has been added to make the content more relevant and improve learning outcomes for the international student Pickett's Charge at Gettysburg James A. Hessler, Wayne Motts, 2015-06-19 A battlefield guide to the sites and history of the climactic attack during the American Civil War s Battle of Gettysburg 150 years after the event the grand near suicidal attack against the Union position on Cemetery Ridge still emotionally resonates with Gettysburg enthusiasts like no other aspect of the battle On the afternoon of July 3 Confederate Gen Robert E Lee ordered more than 12 000 Southern infantry to undertake what would become the most legendary charge in American military history This attack popularly but inaccurately known as Pickett s Charge is often considered the turning point of the Civil War s seminal battle of Gettysburg Although much has been written about the battle itself and Pickett s Charge in particular Pickett s Charge at Gettysburg is the first battlefield guide for this celebrated assault After the war one staff officer perceptively observed that the charge has been more criticized and is still less understood than any other act of the Gettysburg drama Unfortunately what was true then remains true to this day The authors of this book two of Gettysburg s elite Licensed Battlefield Guides along with one of the Civil War s leading cartographers have corrected that oversight Grounded in the premise that no better resource exists for understanding this unique event than the battlefield itself Pickett s Charge at Gettysburg encourages its readers to explore this storied event from a wide variety of perspectives For the first time readers can march toward the Copse of Trees with Armistead s Virginians advance on the Confederate left with Pettigrew s North Carolinians or defend the Angle with Alonzo Cushing s gunners and thousands of Union soldiers There is much here to enrich the experience including dozens of full color original maps scores of battlefield and other historic photographs a unique mix of rare human interest stories a discussion of leadership controversies and a rare

collection of artifacts directly related to the charge Pickett's Charge at Gettysburg is designed for readers to enjoy on or off the battlefield and will give Civil War enthusiasts an entirely new appreciation for and understanding of Gettysburg's third day of battle. Extremely well done, designed as a tour guide to the area of the battlefield where the famous July 3, 1863 Confederate assault on the center of the Union Line took place. The heart of any tour guide is maps, and that feature is served up in exemplary fashion here far more than just maps. The two text authors are battlefield guides, and the detail provided is immense. Strongly recommended. Civil War News.
