

HORSE WHISPERER

The **NARRATOR** is a horse whisperer - a rural man who uses ancient techniques and rituals to tame and control horses. He was once needed by the community, but with modernisation ("when the tractor came over the fields"), farmers needed him less, the church condemned his practices and he was forced to flee. Before leaving, he uses his powers against the horse owners.

THEMES include how society tends to reject customs in the name of progress, and how humans can violently turn against practices which were once revered, due to religion or superstition.

The narrator has such an affinity with horses that he almost becomes one: "I joined the Stampede".

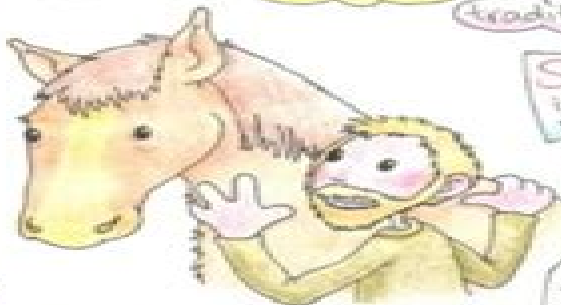

The poem's **STRUCTURE** is particularly interesting. It is **FREE VERSE**, with **STANZAS** which gradually get shorter. This could perhaps be a **METAPHOR** for his dwindling status or for the declining importance of rural traditions in general.

The **REPETITION** of "They shouted for me" shows just how important the horse whisperer once was - the community relied on him.

It's clear he will never return to his work - He tells us, "I swore I would protect/ this legacy of whispers", yet he has already told us two of his secret methods. The "frog's wishbone" is a reference to a ritual used by a group of horse whisperers called 'The Toadmen'.

The narrator's understanding of horses is clear as he shows how diverse they can be. They can be "stately", but also "like helpless children" (a **SIMILE**). He both reveres and cares for the horses. The **OXYMORON** "tender giants" truly highlights how varied horses can be.

SENTENCE LENGTH is used for effect in the final stanza: "Still I miss them." This short sentence reflects the idea that without the horses, he is alone.

SYNECDOCHE is used in the phrases "restless/ hooves" and "shimmering muscles". Parts of the horse are used to represent the horse in its entirety. This highlights the speaker's knowledge and appreciation of the horses' every aspect.

ENJAMBMENT is used to emphasise the changes in both the whisperer and the horses after the community turns against him: "I was the life-blood/no longer" and "a trusted stallion could be ridden/no more".

The final stanza also uses groups of three to show the strength of his feeling for the horses: "Shire, Clydesdale, Suffolk / The searing breath, a listening ear, / I steady tread."

SIBILANCE (the sound of 's', 'sh' or 'z') is used throughout the poem. For instance, in the first stanza: "shouted - horses snorted - restless hooves traced circles - shimmering muscles - etc". Sibilance can create a sense of secrecy, hushed tones or menace - all of which link to the poem's subject matter.

The **REPETITION** of the word "pride" in the poem's last lines shows how the narrator has suffered a double loss - the pride which the horses embodied, and the pride he felt for his work.

Quick Guide To Horse Whisperer
