### Safety

Seat belts must be worn at every journey, even on short trips to town. This applies to the front and rear seats.

To ensure that the seat belts, belt buckles and airbags are fully effective, please note the following points:

#### Wear the seat belt correctly

Stand with the seat belt across the middle of the back in position just below the shoulder and move the belt across the hip down to the knee as possible. The belt should always be worn as close to the body as possible. Adjust seat belt to the correct position. The front seats should not be positioned too close to the steering wheel or dashboard. When

Children under 1.35 meters must use the rear seat. They must be protected by a child restraint system which complies with the European standard EN 1889 and is suitable for the child's height and weight. They should always be worn as close to the body as possible. The front passenger's seat
