Recipe For Life English Edition

Joan Nathan

Recipe For Life English Edition:

Daily Life in Colonial New England Claudia Durst Johnson, 2017-04-17 This book presents a unique perspective on life in Colonial England exposing many misconceptions and depicting how elements of its culture that are typically regarded as marginal such as the activities of pirates actually had an extensive impact of the populace The daily lives of most colonial New Englanders were much more colorful and exotic than the drab pious picture many of us have in mind Daily Life in Colonial New England exposes as myth much of what we might believe about this era and reveals surprising truths for example that sex was openly discussed in Colonial times and was regarded as a welcome necessity of married life and that women had more legal and marital rights than they did in the 19th century The book describes topics such as the legal and sexual rights of women the extent of infant mortality the lives of underclass citizens who formed the majority in New England such as indentured servants African slaves debtors and criminals and the integral role that pirates played in business and employment during the Colonial period Readers will gain deeper insight into what life during this period was like through accounts of the real terror of being one of the accused in witch hunts and the sympathy that the general population had for dissidents who were questioned and arrested by the government Primary materials that range from legal documents to sermons letters and diaries are used as sources that verify historical ideas and events
