The Indigo Soul Arnette Lamoreaux, 2015-12-09 When I started my professional career I was told I was tenacious I had to look up the definition Determined or stubborn tending to stick firmly to any decision plan or opinion without changing or doubting it The last few years I have been anything but tenacious I tried one thing if it didnt work I immediately changed course and looked for another viable option My heart goes out to parents who may find themselves in a similar situation I had the background I had resources More than that I had an undeniable fear Fear that my kids would be lost in a world that didnt understand nor WANTED to understand Not everyone can function in our educational infrastructure and how dare anyone pass judgment and say they are inferior in any way My lesson to not be afraid of the mandates of this society This is the true story of a mom protecting her children and learning that their true purpose is to not only protect me but everything else as well I am again tenacious for all that is Indigo
