IJER Vol 2-N1 International Journal of Educational Reform,1993-01-01 The mission of the International Journal of
Educational Reform IJER is to keep readers up to date with worldwide developments in education reform by providing
scholarly information and practical analysis from recognized international authorities As the only peer reviewed scholarly
publication that combines authors voices without regard for the political affiliations perspectives or research methodologies
IJER provides readers with a balanced view of all sides of the political and educational mainstream To this end IJER includes
but is not limited to inquiry based and opinion pieces on developments in such areas as policy administration curriculum
instruction law and research IJER should thus be of interest to professional educators with decision making roles and
policymakers at all levels turn since it provides a broad based conversation between and among policymakers practitioners
and academicians about reform goals objectives and methods for success throughout the world Readers can call on IJER to
learn from an international group of reform implementers by discovering what they can do that has actually worked IJER can
also help readers to understand the pitfalls of current reforms in order to avoid making similar mistakes Finally it is the
mission of IJER to help readers to learn about key issues in school reform from movers and shakers who help to study and
shape the power base directing educational reform in the U S and the world **Research Bulletin** California Teachers
Association,1955 Department of the Army Pamphlet , **Circular - Office of Education** United States. Office of
Education,1935 **American Educators' Encyclopedia** Edward L. Dejnozka,David E. Kapel,1982 Physical Medicine
