Phipps, 2005-05-17 This book asks the question why is it that tourism matters It looks at how it is we do tourism and learn to be tourists when we are on holiday Tourism is a dynamic way of being that may facilitate or hinder intercultural exchange The ways in which we do tourism and the places in which we are tourists raise practical material and emotional questions about tourist life This book draws on both empirical work and a range of theoretical frameworks arguing that tourism matters precisely because of the lessons it can teach us about living everyday life with others *New Directions in*

Literature and Medicine Studies Stephanie M. Hilger, 2017-11-11 This book is situated in the field of medical humanities and the articles continue the dialogue between the disciplines of literature and medicine that was initiated in the 1970s and has continued with ebbs and flows since then Recently the need to renew that interdisciplinary dialogue between these two fields which are both concerned with the human condition has resurfaced in the face of institutional challenges such as shrinking resources and the disappearance of many spaces devoted to the exchange of ideas between humanists and scientists This volume presents cutting edge research by scholars keen on not only maintaining but also enlivening that dialogue They come from a variety of cultural academic and disciplinary backgrounds and their essays are organized in four thematic clusters pedagogy the mind body connection alterity and medical practice *Tourism and Identity in Scotland, 1770-1914* Katherine
