Nys Parole Officer Trainee Study Guide 2015

Liyong Dong

Nys Parole Officer Trainee Study Guide 2015:

Prisoner Reentry in the 21st Century Keesha M. Middlemass, Calvin John Smiley, 2019-11-04 This groundbreaking edited volume evaluates prisoner reentry using a critical approach to demonstrate how the many issues surrounding reentry do not merely intersect but are in fact reinforcing and interdependent The number of former incarcerated persons with a felony conviction living in the United States has grown significantly in the last decade reaching into the millions When men and women are released from prison their journey encompasses a range of challenges that are unique to each individual including physical and mental illnesses substance abuse gender identity complicated family dynamics the denial of rights and the inability to voice their experiences about returning home Although scholars focus on the obstacles former prisoners encounter and how to reduce recidivism rates the main challenge of prisoner reentry is how multiple interdependent issues overlap in complex ways By examining prisoner reentry from various critical perspectives this volume depicts how the carceral continuum from incarceration to reentry negatively impacts individuals families and communities how the criminal justice system extends different forms of social control that break social networks and how the shifting nature of prisoner reentry has created new and complicated obstacles to those affected by the criminal justice system This volume explores these realities with respect to a range of social community political and policy issues that former incarcerated persons must navigate to successfully reenter society A springboard for future critical research and policy discussions this book will be of interest to U S and international researchers and practitioners interested in the topic of prisoner reentry as well as graduate and upper level undergraduate students concerned with contemporary issues in corrections community based corrections critical issues in criminal justice criminal justice policies and reentry

Introduction to Criminal Justice Bradley D. Edwards, Lawrence F. Travis III, 2024-01-22 Introduction to Criminal Justice Tenth Edition offers a student friendly description of the criminal justice process outlining the decisions practices people and issues involved It provides a solid introduction to the mechanisms of the criminal justice system with balanced coverage of the issues presented by each facet of the process including a thorough review of practices and controversies in law enforcement the criminal courts and corrections In this revision Edwards updates the statistics and research findings throughout New sections include the impact of the COVID 19 pandemic the recent shift to NIBRS crime reporting and the increasing attacks on the legitimacy of the criminal justice system This edition has also expanded coverage of police use of force and technological improvements Selected chapters now include a case study box to demonstrate how certain laws programs and technologies have been used in particular situations Appropriate for all U S criminal justice programs this text offers great value for students and instructors

Crisis William Edward Burghardt Du Bois, 1969 A record of the darker races

Case Studies in Corrections Bradley D. Edwards, Michael Braswell, Larry Miller, 2018-06-28 Case Studies in Corrections invites the reader to analyze hypothetical situations confronted by judges probation officers inmates correctional officers counselors clerics and

administrators Concise but thorough introductions to each section provide background for assessing the scenarios Thought provoking questions stimulate reflection about possible courses of action and the potential consequences of choices made The Sixth Edition encourages an interactive approach whether rethinking effective punishment analyzing the role of the community in corrections or addressing ethical and legal issues

Handbook on the Consequences of Sentencing and Punishment Decisions Beth M. Huebner, Natasha A. Frost, 2018-08-06 Handbook on the Consequences of Sentencing and Punishment Decisions the third volume in the Routledge ASC Division on Corrections Sentencing Series includes contemporary essays on the consequences of punishment during an era of mass incarceration The Handbook Series offers state of the art volumes on seminal and topical issues that span the fields of sentencing and corrections In that spirit the editors gathered contributions that summarize what is known in each topical area and also identify emerging theoretical empirical and policy work The book is grounded in the current knowledge about the specific topics but also includes new synthesizing material that reflects the knowledge of the leading minds in the field Following an editors introduction the volume is divided into four sections First two contributions situate and contextualize the volume by providing insight into the growth of mass punishment over the past three decades and an overview of the broad consequences of punishment decisions The overviews are then followed by a section exploring the broader societal impacts of punishment on housing employment family relationships and health and well being The third section centers on special populations and examines the unique effects of punishment for juveniles immigrants and individuals convicted of sexual or drug related offenses The fourth section focuses on institutional implications with contributions on jails community corrections and institutional corrections

Corrections Mary K. Stohr, Anthony Walsh, 2021-01-10 Written by former practitioners who are experts in the field Corrections The Essentials Fourth Edition addresses the most important topics in corrections in a brief yet comprehensive format Authors Mary K Stohr and Anthony Walsh introduce students to the history and development of correctional institutions while offering a unique perspective on ethics and special populations The Fourth Edition provides insights into the future of corrections as well as updated coverage of the most important issues impacting the field today This title is accompanied by a complete teaching and learning package

Handbook on Moving Corrections and Sentencing Forward Pamela K. Lattimore, Beth M. Huebner, Faye S. Taxman, 2020-11-10 This volume addresses major issues and research in corrections and sentencing with the goal of using previous research and findings as a platform for recommendations about future research evaluation and policy The last several decades witnessed major policy changes in sentencing and corrections in the United States as well as considerable research to identify the most effective strategies for addressing criminal behavior These efforts included changes in sentencing that eliminated parole and imposed draconian sentences for violent and drug crimes The federal government followed by most states implemented sentencing guidelines that greatly reduced the discretion of the courts to impose sentences The results were a multifold increase in the numbers of individuals in jails

and prisons and on community supervision increases that have only recently crested There were also efforts to engage prosecutors and the courts in diversion and oversight including the development of prosecutorial diversion programs as well as a variety of specialty courts Penal reform has included efforts to understand the transitions from prison to the community including federal led efforts focused on reentry programming Community corrections reforms have ranged from increased surveillance through drug testing electronic monitoring and in some cases judicial oversight to rehabilitative efforts driven by risk and needs assessment More recently the focus has included pretrial reform to reduce the number of people held in jail pending trial efforts that have brought attention to the use of bail and its disproportionate impact on people of color and the poor This collection of chapters from leading researchers addresses a wide array of the latest research in the field A unique approach featuring responses to the original essays by active researchers spurs discussion and provides a foundation for developing directions for future research and policymaking

Juvenile Justice John T. Whitehead, Steven P.

Lab, 2018-07-11 Juvenile Justice An Introduction Ninth Edition presents a comprehensive picture of juvenile offending delinquency theories and the ways juvenile justice actors and agencies react to delinquency Whitehead and Lab offer evidence based suggestions for successful interventions and treatment and examine the prospects for rebalancing the model of juvenile court This new edition includes insightful analysis and the latest available statistics on juvenile crime and victimization drug use court processing and corrections Recent developments include the possible influence of biosocial factors on delinquency use of social media both for recruiting gang members and for combatting gangs new probation models responses to cyberbullying the renewed emphasis on status offenses the implications of drug legalization police shootings and specialty courts for teens and those with mental illness Chapter 12 has been recast to cover specific information on prevention programs in addition to restorative justice approaches Each chapter enhances student understanding with Key Terms a What You Need to Know section and Discussion Questions Links at key points in the text show students where to get the latest information

Hispanics in the U.S Criminal Justice System Martin Guevara

Urbina, Sofía Espinoza Álvarez, 2018-05-07 This updated and expanded new edition resumes the theme of the first edition and the findings reveal that race ethnicity gender class and several other variables continue to play a significant and consequential role in the legal decision making process The book is structured into three sections each of which corresponds to a different body of work on Latinos Section One explores the historical dynamics and influence of ethnicity in law enforcement and focuses on how ethnicity impacts policing field practices such as traffic stops use of force and the subsequent actions that police departments have employed to alleviate these problems A detailed examination of critical issues facing Latino defendants seeks to better understand the law enforcement process The history of immigration laws as it pertains to Mexicans and Latinos explains how Mexicans have been excluded from the United States through anti immigrant legislation Latino officers must cope with structural and political issues the community and media as these practices and

experiences within the American police system are explored Section Two focuses on the repressive practices against Mexicans that resulted in executions vigilantism and mass expulsions The topic of Latinos and the Fourth Amendment reveals that the constitutional right of people to be protected against unreasonable searches and seizures has been eviscerated for Latinos and particularly for Mexicans Possible remedies to existing shortcomings of the court system when processing indigent defendants are presented Section Three studies the issue of Hispanics and the penal system The ethnic realities of life behind bars probation and parole the legacy of capital punishment and life after prison are discussed Section Four addresses the globalization of Latinos social control and the future of Latinos in the U S Criminal justice system Lastly the race and ethnic experience through the lens of science law and the American imagination are explored concluding with policy recommendations for social and criminal justice reform and ultimately humanizing differences Written for professionals and students of law enforcement this book will promote the understanding of the historical legacy of brutality manipulation oppression marginalization prejudice discrimination power and control and white America s continued fear about racial and ethnic minorities

Criminal Justice Ethics Cyndi Banks, 2018-12-31 Criminal Justice Ethics examines the criminal justice system through an ethical lens by identifying ethical issues in practice and theory exploring ethical dilemmas and offering suggestions for resolving ethical issues and dilemmas faced by criminal justice professionals Bestselling author Cyndi Banks draws readers into a unique discussion of ethical issues by first exploring moral dilemmas faced by professionals in the criminal justice system and then examining the major theoretical foundations of ethics This distinct and unique organization allows readers to understand real life ethical issues before grappling with philosophical approaches to the resolution of these issues

Emergency Characterization of Unknown Materials Rick Houghton, William Bennett, 2020-11-29 Emergency Characterization of Unknown Materials Second Edition is fully updated to serve as a portable reference that can be used in the field and laboratory by workers who are responsible for a safe response to and management of unknown hazardous materials As with the first edition the book emphasizes public safety and the management of life safety hazards including strategies and emerging technologies to identify the hazards presented by an unknown material When responding to a hazardous material emergency involving an unknown substance firefighters and HAZMAT teams are primarily interested in protecting public safety The book details risk analysis procedures to identify threats and vulnerabilities analyzing them to determine how such risks can be eliminated or reduced If an unknown material can be identified with a high degree of confidence that can considerably change the response and measures to be taken In addition the book covers practical field applications with updated and additional examples of field instruments The hazard identification methods presented are intended for use by frontline workers The test methods presented involve manipulation of small sample amounts using literally a hands on approach The three technologies used by first responders and military personnel to identify unknown chemicals Raman spectroscopy FTIR spectroscopy and high pressure mass spectroscopy are covered in depth Features

Presents how to identify unknown materials and if identification is not possible to characterize the hazards of the material
Offers practical examples to introduce new first responders to hazardous materials response
Provides up to date field applications of the latest developments in commercially available instrumentation
Details practical sample manipulations to help the reader successfully identify materials with popular high end instrumentation
Includes several examples of spectra and describes ways in which the reader can utilize data to inform decision making
New coverage to this edition includes a chapter and content that focuses on sample manipulation and separations using instruments developed and revised since the first edition was published
These sample manipulations may be performed in the field with a very simple toolkit which is fully outlined and explained in detail
Identifying the hazards of the unknown substance is essential to plan for response contingencies and sustained actions
As such Emergency Characterization of Unknown Materials Second Edition will be a welcome and essential resource to all response and safety professionals concerned with hazardous materials

Forensic Psychology: The Basics Sandie Taylor, 2024-05-09 This third edition of Forensic Psychology The Basics continues to provide an accessible overview of the core topics and theories in this fascinating discipline The book provides an engaging discussion of core topics and theory in forensic psychology alongside information about the role of a professional forensic psychologist In addition to the established topics such as the psychology of crime and criminality police psychology victimology and correctional psychology this edition has been fully updated to include coverage of The impact of labelling offenders The effectiveness of new assessment Rehabilitation programmes Special topics such as terrorism the effects of war on ex service personnel and offender profiling have been updated and further attention is paid to recent changes to legislation in the UK and other countries The book also explores the importance of nature and nurture for people who commit offences with a special focus on how this is relevant to the development of psychopathic tendencies This invaluable guide is essential reading for students across a range of disciplines including psychology criminology and law as well as general readers seeking a concise and jargon free introduction to forensic psychology

The SAGE Guide to Writing in Corrections Steven Hougland, Jennifer M. Allen, 2019-12-02 As part of the SAGE Guide to Writing series The SAGE Guide to Writing in Corrections 1e by Steven Hougland and Jennifer Allen focuses on teaching students how to write in the academic setting while introducing them to a number of other professional writings specific to the correctional profession such as the pre sentence investigation report contact sheets court status reports incident reports rehabilitation and therapy Covering correctional institutions as well as community corrections the goal is to interweave professional and technical writing academic writing and information literacy with the result being a stronger more confident report writer and student in corrections This text will be a concise supplemental writing book in courses focused on writing in the criminal justice discipline report writing or in introductory corrections courses It is part of a series of books on this topic that will span criminal justice policing corrections and research methods

Think Like a Terrorist to Combat Terrorism and Radicalization

in Prison William P. Sturgeon, Francesca Spina, 2022-07-20 Think Like a Terrorist to Combat Terrorism and Radicalization in Prison provides guidelines for hardening facilities training staff preparing for radicalized terrorist inmates incarceration and monitoring these inmates after their release The book combines practitioner experience with scholarly insights to offer practical suggestions bolstered by research The authors offer suggestions for housing programming security and staff training with the ultimate goal of keeping correctional facilities staff and other inmates safe from radicalization and spreading terrorist doctrines and terrorist acts which requires examining and potentially changing prison and correctional officer policies and procedures hiring and training suitable staff and ensuring technology is available Correctional facilities can curtail the recruitment and radicalization of inmates by developing staff training de radicalization programs management methods techniques and practices that address the recruitment issues associated with this threat The need for understanding and the role line correctional officers and first line supervisors play in preventing radicalization is critical in this process It is also vital to connect with and maintain communication with appropriate security and intelligence agencies as needed Key Features Outlines common terrorist and extremist activities in prison using relevant real world examples Instructs on how to detect and recognize such efforts as recruitment and radicalization and how to curtail and prevent such activity Provides guidance on establishing de radicalization programs within prison facilities Presents recommendations on collecting analyzing and disseminating intelligence to correctional law enforcement and intelligence agencies on potential terrorist activities and recruitment efforts

Introduction to Criminal Justice Callie Marie Rennison, Mary Dodge, 2018-10-11 Winner of the 2020 Textbook Excellence Award from the Textbook Academic Authors Association TAA The contemporary issues and challenges confronting the U S justice system are critically and comprehensively examined in the latest edition of Introduction to Criminal Justice Systems Diversity and Change The text applies a unique lens to understanding the interconnected nature of crime and justice the role of diversity and how technology has changed the field of law enforcement the courts and the correctional system Christina Mancini Virginia Commonwealth University Helping students develop a passion to learn more about the dynamic field of criminal justice this concise bestseller introduces students to the criminal justice system by following the case studies of four individuals in their real life progression through the system Each case study is strategically woven throughout the book to help students remember core concepts and make connections between different branches of the system In addition to illustrating the real life pathways and outcomes of criminal behavior and victimization authors Callie Marie Rennison and Mary Dodge provide students with a more inclusive overview of criminal justice by offering insight into overlooked demographics and the perspectives of victims This newly revised Third Edition encourages students to think critically and discuss issues affecting today s criminal justice system with engaging coverage of victims criminal justice professionals offenders and controversial issues found in the criminal justice process This title is accompanied by a complete teaching and learning package Contact your SAGE representative to request a demo Digital
