

MARK SCHEME for the October/November 2007 question paper

9790/02

9701 CHEMISTRY

Paper 2 (Theory 1), maximum raw mark 100

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question paper and the report on the examination.

- CIE will not print and disseminate or correspond in connection with these mark schemes.

CIE is publishing the mark schemes for the October/November 2007 question papers for most IGCSE, CIE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.
