My Odyssey Jeyaraj C. Rajarao, 2022-12-06 This autobiography is reflective of the many dimensional attitudes of the author Dato Jeyaraj C Rajarao As he recounts his life story it is evident that he has lived a life with passion integrity wit and mischief A life of black and white with very little grey in it The narrative begins with a simple story of love that spans decades It then takes the reader through a young boy's experience of the Japanese occupation of Malaya until she gains independence It is obvious that the political social and economic situation of the period influenced Rajarao as a young boy and helped form his ideologies Rajarao is hard hitting and critical when he conveys his opinions about the activities of the Prime Minister and his cohorts that caused Malaysia to be regarded as the worst kleptocratic country in the world However the reader becomes aware of how much Rajarao loves and despairs for Malaysia as he shares how she is being torn apart by race and religion based policies No doubt there is much that can be regarded as controversial or confrontational but that is inevitable when truth is told The book is intensely personal and immensely interesting He is brutally honest as he admits his mistakes and apologizes This book is recommended reading for the young and the old as it is both a history book as well as an autobiography It is dribbled with sharp observations on life and draws the reader into a different era yet it also educates them and recommends a purpose driven life The Odyssey is certainly most thought provoking enlightening and stimulating
