

After the incident, Thana decided not to interact with people except her sister. Thana usually took care of the house, keeping the house clean, making food, farming crops, and emptying the rooms for her sister to take care of the villagers whenever they were injured or passed away. Despite believing what Anastasia did is not always correct, she still lets her sister continue to do what she believes is right and supports her in the dark.

One day, a family visited Anastasia, hoping she would revive their son who was killed during war. However, when the young man woke up, he was unhappy about what Anastasia had done and complained to his parents.

"I was supposed to sacrifice my life for the village! How am I supposed to be worthy of living while my colleagues whose corpses were burned into ashes, and cannot be revived?" the man complained to his parents.

As the man cried and complained in misery, the family decided to complete his wish and visited Thana.

Thana was surprised about the sudden request from the family.

"Are you sure you want me to do this?" she asked as the young man nodded his head with a firm face.

After she knew that the man was determined to his decision, she smiled softly and agreed to help him. "You are a very brave man, willing to sacrifice yourself for this village, thank you and your colleagues for helping to protect this village" after saying to the young man, Thana was ready to take away the man's life and wished him to have a serene afterlife. But suddenly, Anastasia interrupted them before Thana could take the young man's life.

"What do you think you are doing my dear sister?" said Anastasia while being very frustrated and annoyed.

"What I have done is just helping people! Without death, then no one would be hurt and become miserable!" Anastasia was very upset and yelled at Thana while trying to pull the young man away from Thana.

Thana was imperturbable and replied to Anastasia "All I did was to just help him, he was the one who had requested me to take away his life, my dear sister, living does not mean happiness, when there is life then there should be death, life and death makes an unbreakable balance in the world. Sister, you cannot break the rule of mother nature, what you have done will eventually break the balance that nature had tried to balance."

Anastasia was shocked when she heard the words spoken from her sister, she realized what her little sister said was correct and told the villagers.

"As you can see, my dear sister is not an evil witch, she is kind-hearted and very intelligent, what she has said is correct, and we should not fear and dislike death."

The villagers were easily persuaded by Anastasia and they welcomed Thana kindly. Both Anastasia and Thana lived happily ever after together in the village without using their powers since it would break the balance.
