Contractor's Guide to QuickBooks Pro 2003 Karen Mitchell, Craig Savage, Jim Erwin, 2003 Easily master QuickBooks Pro 2003 and quickly learn how to generate reports to help you analyze your company s progress Includes a FREE CD ROM with preconfigured construction company files for QuickBooks Pro including one for Canada Just drag the company file onto your hard drive and then fill it in with your vendors subs and customers Also included is a complete estimating program with a cost database to help you estimate your jobs and a unique translation tool to transfer the estimate to QuickBooks Pro for job costing Includes 40 FREE construction forms

Contractor's Guide to Quickbooks Pro 2002 Karen Mitchell, Craig Savage, Jim Erwin, 2002 According to a recent national survey more construction contractors use QuickBooks Pro and QuickBooks than all other accounting programs combined And for good reason QuickBooks Pro excels at all the routine paperwork in a construction office writing checks keeping track of your bank balance sending out invoices and statements creating up to the minute profit and loss statements for the month year or by job writing payroll checks paying suppliers and subcontractors tracking job costs comparing estimated and actual

costs for each job and much more But there s a lot to learn in QuickBooks Pro And converting to a new accounting system can be a complex and confusing task even if you have a strong background in accounting and plenty of time to install the new system That s why this book was written because most construction pros aren t accounting experts and have more important work to do at the job site
