Conference on Economics Business and Economic Education Science 2020 ICE BEES 2020 It focuses on the relation of
economics business education environment and sustainable development The issue of economics and sustainable
development is important today especially in the time of Covid 19 not only globally but also Indonesia nationally to the local
level There are several important issues related to this both institutionally and the relationships between individuals and
groups in supporting the agenda of sustainable development More than 150 manuscripts were presented at this conference
with around 49 of them selected to be published in proceedings We hope by this conference discussions on the importance of
sustainable development will increasingly become an important concern together and bring better response from the

government and social relations for development
