Deacon's newspaper handbooks and advertisers' guide Deacon Samuel and co,1894 **Willing's Press Guide**,1908 Coverage of publications outside the UK and in non English languages expands steadily until in 1991 it occupies enough of the Guide to require publication in parts **The Newspaper Press Directory and Advertisers' Guide** ,1898

Willing's Press Guide and Advertisers' Directory and Handbook ,1908 **Towards a regional political class?** Klaus Stolz,2013-07-19 Focussing on professional politicians Klaus Stolz investigates the interrelationship between political career patterns and political institutions in two of the most widely discussed cases of regionalism Catalonia and Scotland The study deals with two different yet closely related sets of questions Firstly how do professional politicians pursue their careers in the regional context And secondly how do they shape and reshape the political institutions in which they pursue these careers The monograph is based on extensive empirical research including a comprehensive data set on the careers of Catalan and Scottish parliamentarians systematic surveys of regional representatives as well as in depth interviews of a wide range of politicians and experts in both regions Exploring the effects of political professionalisation on regional democracy Stolz goes way beyond traditional studies of regionalism and decentralization while his focus on the regional career arena introduces a much needed territorial dimension to the study of political careers Rich original data innovative theoretical concepts and a strictly comparative approach are the basis for a study that considerably deepens and enhances our understanding of the tremendous political changes both Catalonia and Scotland are undergoing Thus the book is of interest to the still growing number of scholars concerned with devolution in the UK the Spanish autonomous communities as well as to those interested in regional politics and regionalisation in general Furthermore its theoretical focus makes it highly relevant for scholars working on political careers political professionalisation and democratic theory **The Scotsman's Library** James Mitchell,1825 **Guide to the Turf** Ruff William,1884 **Studies of Labor Market Intermediation** David H. Autor,2009-12-15 From the traditional craft hiring hall to the Web site Monster com a multitude of institutions exist to facilitate the matching of workers with firms The diversity of such Labor Market Intermediaries LMIs encompasses criminal records providers public employment offices labor unions temporary help agencies and centralized medical residency matches Studies of Labor Market Intermediation analyzes how these third party actors intercede where workers and firms meet thereby aiding impeding and in some cases exploiting the matching process By building a conceptual foundation for analyzing the roles that these understudied economic actors serve in the labor market this volume develops both a qualitative and quantitative sense of their significance to market operation and worker welfare Cross national in scope Studies of Labor Market Intermediation is distinctive in coalescing research on a set of market institutions that are typically treated as isolated entities thus setting a research agenda for analyzing the changing shape of employment in an era of rapid globalization and technological change **Newspaper Press Directory** ,1928 **Willing's Press Guide and Advertisers'**
