Chronicles Vol. #1 (1980 - 1989) Drew Stone, 2021-08-22 Age of Quarrel Alan Parkes, 2018 Abstract The intersection of hardcore punk and New York City during the 1980s compels a long overlooked investigation Unlike the subculture s scene in any other city New York hardcore regularly transformed itself to combat the changing social structures that surrounded it At the start of the 1980s New York City s economic failure subsequent decline in infrastructure and increase in crime and drug abuse directly influenced a burgeoning hardcore scene Hardcore sought to create an inclusive alternative to New York s deteriorating streets and the dangers they presented However white hypermasculine idolization flowed throughout hardcore punk as an often unrecognized challenge to the scene s inclusivity The scene s glaring white male homogeneity symbolizes New York hardcore s most engrained paradox Thus investigation of hardcore s incongruities urges examination of both the subculture as a mental space in which inclusive objectives led members ideals and its physical space in which white masculinity condoned exclusion Exploring how an evolving mental space from creation to reformation materialized into a constant masculine physical space reveals that throughout the decade hardcore succumbed to the social and cultural influences it intended to defy *Schism* John Porcell, Alex Brown, 2005
