Illiteracy is a curse. It stands all development work of a country. It is sad that an illiterate nation gropes in darkness with no definite goal. In fact, an illiterate person is superstitious, superstitious and blind. He can contribute very little to his society and country. He is irresponsible and unaware of his right and responsibilities. The whole country is responsible for this. Most of our people are illiterate and poor. In fact, illiteracy, caused by poverty, stands in the way of progress.
