Mercer Mayer is a beloved American author and illustrator known for his simple yet engaging children's books. He was born on December 30, 1943, in Little Rock, Arkansas. From a young age, Mercer loved to draw and tell stories, which inspired him to create books for young readers.

One of his most famous series is the Little Critter books. These stories follow a young creature named Little Critter as he learns about everyday life—such as going to school, making friends, or dealing with problems at home. The books are easy to understand and often include lessons about kindness, patience, and responsibility.

Mercer Mayer is also well-known for his Little Monster books and his wordless picture books, where the story is told entirely through pictures. His drawings are full of details that make children want to explore the pictures and discover something new every time they read.
