

“Private Investigators & the dirty little secret of sub-contracting / vending - What to expect for PI’s who want to conduct insurance investigations and are new to the field.”

Are you a private investigator who wants to work insurance fraud cases? Are you a “one man show”? Do you want to conduct worker’s compensation surveillance and claims (also known as “SIU” or Special Investigations Unit) investigations? Do you have your own small PI company, cannot get those types of cases directly from the insurance companies and think you may want to **sub-contract** or become a **vendor** for other PI firms? I often speak about this issue. I was asked to write an article on the subject of PI’s sub-contracting to other Private Investigation companies, as there are things, “secrets” if you will that these potential investigators should know about this industry.
