

Problem & Solution

All good fiction stories are based on a major problem or a series of problems. The author will usually wait until the very end of the book to have the reader solve the problem.

What is a problem?	What is a solution?
 A problem is a challenge or something that went wrong for the characters and it needs to be fixed.	 A solution is how the characters go about fixing the problem or addressing the issue or challenge they faced.

Understanding Problem and Solution

- ❖ The problem and solution is sometimes called the conflict and the resolution.
- ❖ The problem helps drive the momentum of the story forward and keeps the reader engaged. The problem is usually introduced at the beginning of the story.
- ❖ The solution helps resolve the problem and provides closure to the reader. It usually occurs at the end of the story. It gives the reader permission to end the story.
- ❖ The problem and solution must make sense. The author has to provide a reasonable and appropriate solution to the problem.
