Red Her Big Bad Dom Once Upon A Dom :

Power Without The Glory Carl Marks,2010-04-30 This book speaks for itself but it spans a period of time from the end of the Second World War to the early nineteen eighties and charts the reasons why the West and the East agreed to move from Cold War to Holy War The story narrates the ordinary and extraordinary lives of the characters and as only literary fiction can do and arguably should do reveals the personal and sexual lives of these people In life what goes on behind closed doors or in private between people is known only to those involved nonetheless this story opens those doors But dare you or should you look in

His Unexpected Love Anya Summers,2018-07-09 Carter Jones is the owner and founder of the exclusive Cuffs and Spurs Club in Jackson Hole Wyoming He s been invited to Pleasure Island a lifestyle themed resort on a private island in the Bahamas to experience what the all inclusive getaway has to offer His plans for the week include indulging in the finer points of life beautiful woman and lots of them He s a man used to dominating a woman in every way imaginable and then receiving praise and thanks from his selected bed mate for his prowess That all changes when he literally runs into Jenna She s beautiful and headstrong and turns his world upside down with merely a pout of her gorgeous lips Lips he can imagine on various parts of his body Carter devises a plan to claim the feisty woman But will he be able to keep it strictly physical or will her surrender to his touch affect him in unexpected ways Publishers note this is the love story of how Carter and Jenna met It can be read as a stand alone but if you would like to know more about them and their story this novella is for you

Undying Lust Sir Patrick Bijou,2024-08-12 Vivienne is a hardworking young lady in her twenties who loves to take control of her life and provide solutions to a problem that comes her way at work and even in her private life She has everything she wanted but one thing is missing love a sexual experience She is however lusting after her dad s mechanic Danny whom her dad puts in charge to look after her He s way older than her but she likes it so she hates going out with younger guys or guys her age She s on a quest to make Danny feel the same way she s feeling but it seems quite herculean Will she ever succeed and make him feel the same way she s feeling for him

Cuffs and Spurs Collection Anya Summers,2019-05-23 Welcome to Cuffs sight unseen Nothing can prepare him for Emily the red haired siren who waltzes into his resort carting a set of chef knives and demanding to see her new kitchen

HIS UNTAMED LOVE Visiting the Black Elkhorn Lodge and Resort is Mia s last option She s bordering on a nervous breakdown And to make matters worse she has the foulest case of writer s block in the history of the world But she isn t prepared for the surly sexy cowboy who looks like her every dark fantasy come alive riding into her life on his trusty steed Cole has only loved one woman in all his thirty five years until he lost her forever and swore he would never love another That is until Mia Evans the burned out anxiety ridden author needing to get away from her real life nearly runs him over with her car

HIS TEMPTING LOVE Cora has a plan move to a new town and make a better life for herself and her son As a single mom she s not looking for a relationship of any kind But then she never expected to have the sexy Garrett offer her a night of uninhibited pleasure with no strings attached

Garrett never expected Cora's surrender to his touch to be so sweet or tempt him to want more than just a single night HIS SEDUCTIVE LOVE Layla never imagined living in Jackson Hole until she inherited her grandfather's veterinary practice But at least there's a lifestyle club available where she can get her so not vanilla needs met And yet there isn't a single cowboy at the club who makes her stop and take notice until the night she gets called in for an emergency at Hunt Trail Rides and runs into the owner He's big and brawny looking more like a throwback to a Scottish raider than a modern day cowboy And then there's the little fact that he kisses her brainless in under five seconds That has to be a world record HIS SECRET LOVE plus Bonus Scene Meghan has a plan for her life and it does not involve falling in love She doesn't have the time nor the inclination She's too busy trying to save the world But when a freak snowstorm puts her in the path of a man she has secretly been fascinated with for years she is forced to reconsider her stance on dating Spencer is rude and obnoxious with his bad boy swagger but then he rescues her when she gets stranded on the side of the road like a knight in tarnished armor and sweeps her away to his house to ride out the blizzard As the storm rages around them they surrender to a passion hotter than the sun HIS CHERISHED LOVE Rayna's entire life is a lie She avoids relationships as if they were the plague mainly because the people who get close to her wind up dead And yet her newest next door neighbor the sexy stoic Jack is making her want to break all her rules The problem is he's a cop and she doesn't know how long it will take before her past catches up to her and all her secrets are revealed Publisher's Note This steamy collection of eight full length novellas includes themes of power exchange Undercover Legends David Le Courageux, 2025-08-13 Four lives Two people One question What do you really know about the people around you To the residents of leafy Acacia Avenue Mr and Mrs Smith were like any other couple Living a very ordinary life in a very ordinary suburb on the outskirts of a very ordinary city But behind closed doors Mr and Mrs Smith were at the heart of a world filled with deception and organized crime and they were the good guys Inspired by true events and detailing Mr and Mrs Smith's covert deployments this is first in a series of gripping tales Undercover Legends is a fascinating insight into the double lives of two undercover officers First as individuals and then as a couple they had to balance the stresses and strains of their real lives families and relationships with the murky underworld they found themselves enmeshed in In many ways their legends those false identities and lives that inhabited the criminal world were no less real than the lives they were born into That was a must as their lives may have depended on the robustness of their cover Four lives two people One question will you join them on their extraordinary story *Dom's Desires* Ellen Harper, Dom's Desires is book 3 and finale of the Forbidden Nights Trilogy He left me broken But now he's back The last time I saw Dom I was moaning his name I haven't said it since Once upon a time he was my best friend The star of the high school baseball team Dom lived next door and made me feel like I was the luckiest teacher's pet who ever lived I was quiet normal and studious completely the opposite of the bad boy with a smile that could drop a thousand panties But for some reason we clicked And the sex was on another level I was sure we'd be together forever Dom and Michelle sitting in a tree you know

how that goes I was wrong though He left me without so much as a goodbye But just when I thought he was gone for good he comes hurtling back into my life like a ninety mile an hour fastball bent on wrecking everything It shouldn't matter I plan on never talking to the S O B again But when I hear the latest news my heart drops Dear old Dom is going to be living much closer than I expected
